Item 7.01. Regulation FD Disclosure.

During fiscal 2023, Walmart Inc. (the "Company") accrued a liability for approximately \$3.3 billion for the Settlement Framework (described below) and other previously agreed upon state and tribal settlements to resolve substantially all opioids-related lawsuits filed against the Company, as well as all potential claims that could be made against the Company, by states and political subdivisions (the "State Settlement Framework") and tribes (the "Tribal Settlement Framework"). Both the State Settlement Framework and the Tribal Settlement Framework are referred to collectively as the "Settlement Framework."

On August 22, 2023, a settlement administrator determined that a sufficient number of political subdivisions have agreed to participate in the State Settlement Framework. Therefore, the State Settlement Framework will become effective on September 6, 2023, and the Company will pay the remaining approximately \$2.8 billion of the original approximately \$3.3 billion accrued liability in the third quarter of fiscal year 2024. Although the settlement administrator has determined a sufficient number of political subdivisions have agreed to participate in the State Settlement Framework, and thus the State Settlement Framework will become effective, eligible political subdivisions still have until July 15, 2025 to join the State Settlement Framework.

In accordance with General Instruction B.2 of Form 8-K, the information in this Current Report shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise be subject to the liability of that section and shall not be incorporated by reference into any filing or other document filed under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing or document.
