OPTIONAL REDEMPTION PROVISIONS:

There are no optional redemption provisions applicable to the Floating Rate Notes.

Walmart may redeem the 2020 Fixed Rate Notes at any time prior to the maturity date of the 2020 Fixed Rate Notes, the 2021 Fixed Rate Notes at any time prior to the maturity date of the 2021 Fixed Rate Notes, the 2023 Notes at any time prior to May 26, 2023, the 2025 Notes at any time prior to April 26, 2025, the 2028 Notes at any time prior to March 26, 2028, the 2038 Notes at any time prior to December 28, 2037, and the 2048 Notes at any time prior to December 29, 2047, in each case, at Walmart's option, as a whole or in part, at a redemption price equal to the greater of:

- 100% of the principal amount of the Fixed Rate Notes to be redeemed, plus any accrued and unpaid interest to, but excluding, the redemption date, and
- the sum of the present values of the Remaining Scheduled Payments, plus any accrued and unpaid interest to, but excluding, the redemption date.

In determining the present value of the Remaining Scheduled Payments, Walmart will discount such payments to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) using a discount rate equal to the Applicable Treasury Rate plus, in the case of the 2020 Fixed Rate Notes, 5 basis points, in the case of the 2021 Fixed Rate Notes, 10 basis points, in the case of the 2023 Notes, 10 basis points, in the case of the 2025 Notes, 12.5 basis points, in the case of the 2028 Notes, 12.5 basis points, in the case of the 2038 Notes, 15 basis points, and, in the case of the 2048 Notes, 20 basis points.

The term "Applicable Treasury Rate" means with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue. In determining this rate, Walmart will assume a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

The term "Comparable Treasury Issue" means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the Fixed Rate Notes of a series to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing a new issue of corporate debt securities of comparable maturity to the remaining term of the Fixed Rate Notes of such series.

The term “Independent Investment Banker” means each of Barclays Capital Inc., Citigroup Global Markets Inc., and J.P. Morgan Securities LLC and their respective successors as may be appointed from time to time by Walmart; provided, however, that if any of the foregoing shall cease to be a primary U.S. Government securities dealer (a “Primary Treasury Dealer”), Walmart will substitute another Primary Treasury Dealer for such firm.

The term “Comparable Treasury Price” means, with respect to any redemption date, the arithmetic average, as determined by the Independent Investment Banker, of the Reference Treasury Dealer Quotations for such redemption date.

The term “Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the arithmetic average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker by such Reference Treasury Dealer by 5:00 p.m., New York City time, on the third business day preceding such redemption date.

The term “Reference Treasury Dealer” means each of Barclays Capital Inc., Citigroup Global Markets Inc., and J.P. Morgan Securities LLC and their respective successors; provided, however, that if any of the foregoing shall cease to be a Primary Treasury Dealer, Walmart will substitute another Primary Treasury Dealer for such firm.

The term “Remaining Scheduled Payments” means, with respect to any Fixed Rate Note, the remaining scheduled payments of the principal thereof to be redeemed and interest thereon that would be due after the related redemption date but for such redemption; provided, however, that, if such redemption date is not an interest payment date with respect to such Note, the amount of the next scheduled interest payment thereon will be reduced by the amount of interest accrued thereon to such redemption date.

The 2023 Notes will also be redeemable, as a whole or in part, at the option of the Company at any time on or after May 26, 2023, at a redemption price equal to 100% of the principal amount of the 2023 Notes being redeemed, plus any accrued and unpaid interest to, but excluding, the redemption date.

The 2025 Notes will also be redeemable, as a whole or in part, at the option of the Company at any time on or after April 26, 2025, at a redemption price equal to 100% of the principal amount of the 2025 Notes being redeemed, plus any accrued and unpaid interest to, but excluding, the redemption date.

The 2028 Notes will also be redeemable, as a whole or in part, at the option of the Company at any time on or after March 26, 2028, at a redemption price equal to 100% of the principal amount of the 2028 Notes being redeemed, plus any accrued and unpaid interest to, but excluding, the redemption date.

The 2038 Notes will also be redeemable, as a whole or in part, at the option of the Company at any time on or after December 28, 2037, at a redemption price equal to 100% of the principal amount of the 2038 Notes being redeemed, plus any accrued and unpaid interest to, but excluding, the redemption date.

The 2048 Notes will also be redeemable, as a whole or in part, at the option of the Company at any time on or after December 29, 2047, at a redemption price equal to 100% of the principal amount of the 2048 Notes being redeemed, plus any accrued and unpaid interest to, but excluding, the redemption date.

If (i) Walmart's acquisition (the "Flipkart Acquisition") of preference shares and ordinary shares in Flipkart Private Limited ("Flipkart") pursuant to the Share Issuance and Acquisition Agreement with Flipkart and the Share Purchase Agreement with certain shareholders of Flipkart (together, the "Flipkart Agreements") has not been consummated on or prior to June 7, 2019 (the "Outside Date"), (ii) the Flipkart Agreements are terminated on or prior to the Outside Date, or (iii) Walmart otherwise publicly announces on or prior to the Outside Date that the Flipkart Acquisition will not be consummated, then Walmart will be required to redeem all outstanding 2021 Floating Rate Notes, 2021 Fixed Rate Notes, 2023 Notes, 2028 Notes and 2038 Notes (such Notes collectively, the "Special Mandatory Redemption Notes") on the special mandatory redemption date at a special mandatory redemption price equal to 101% of the aggregate principal amount of the Special Mandatory Redemption Notes of each series, plus accrued and unpaid interest, if any, to, but excluding, the special mandatory redemption date.

We will cause the notice of special mandatory redemption to be transmitted, with a copy to the trustee, within five business days after the occurrence of the event triggering the special mandatory redemption to each holder at its registered address. If funds sufficient to pay the special mandatory redemption price of the outstanding Special Mandatory Redemption Notes to be redeemed on the special mandatory redemption date (plus accrued and unpaid interest, if any, to, but excluding, such date) are deposited with the trustee or a paying agent on or before such special mandatory redemption date, and certain other conditions are satisfied, on and after such special mandatory redemption date, the outstanding Special Mandatory Redemption Notes will cease to bear interest.

-
- (C) Each Underwriter hereby represents and agrees that it has not offered or sold, and will not offer or sell, any Designated Securities in Hong Kong by means of any document other than (i) in circumstances which do not constitute an offer to the public within the meaning of the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Cap.32, Laws of Hong Kong), or (ii) to “professional investors” within the meaning of the Securities and Futures Ordinance (Cap.571, Laws of Hong Kong) and any rules made thereunder, or (iii) in other circumstances which do not result in the document being a “prospectus” within the meaning of the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Cap.32, Laws of Hong Kong), and no advertisement, invitation or document relating to the Designated Securities may be issued or may be in the possession of any person for the purpose of issue (in each case whether in Hong Kong or elsewhere), which is directed at, or the contents of which are likely to be accessed or read by, the public in Hong Kong (except if permitted to do so under the laws of Hong Kong) other than with respect to Designated Securities which are or are intended to be disposed of only to persons outside Hong Kong or only to “professional investors” within the meaning of the Securities and Futures Ordinance (Cap. 571, Laws of Hong Kong) and any rules made thereunder.

The Pricing Agreement shall be in the form of an executed writing (which may be in counterparts), and may be evidenced by an exchange of telegraphic communications or any other rapid transmission device designed to produce a written record of communications transmitted. The obligations of the Underwriters under this Agreement and the Pricing Agreement shall be several and not joint.

(b) The documents incorporated by reference in the Pricing Prospectus and the Prospectus or any amendment or supplement thereto, when they became effective or were filed with the Commission, as the case may be, conformed in all material respects to the requirements of the Securities Act or the Exchange Act, as applicable, and the rules and regulations of the Commission thereunder, and none of such documents contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and any further documents so filed and incorporated by reference in the Prospectus or any further amendment or supplement thereto, when such documents become effective or are filed with the Commission, as the case may be, will conform in all material respects to the requirements of the Securities Act or the Exchange Act, as applicable, and the rules and regulations of the Commission thereunder and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; *provided, however*, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Company by an Underwriter of Designated Securities through the Representatives expressly for use therein;

(c) The Registration Statement and the Pricing Prospectus conform, and the Prospectus and any further post-effective amendments to the Registration Statement and the Prospectus will conform, as of the date on which they become effective or are filed with the Commission, as the case may be, in all material respects to the requirements of the Securities Act and the Trust Indenture Act of 1939, as amended (the “Trust Indenture Act”), and the rules and regulations of the Commission thereunder, and do not and will not, as of the applicable effective dates as to the Registration Statement and any post-effective amendments thereto, as of the applicable filing date as to the Pricing Prospectus and as of the applicable filing date and the Time of Delivery as to the Prospectus and any amendment or supplement thereto, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; *provided, however*, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Company by an Underwriter of Designated Securities through the Representatives expressly for use therein;

(d) The Pricing Prospectus, together with the pricing terms for the offering of the Designated Securities and the terms and conditions of the Designated Securities specified in the Final Term Sheet (as defined in Section 5(a) hereof) prepared and filed pursuant to Section 5(a) hereof, did not, as of the time and date designated in the Pricing Agreement as the “Applicable Time” (which the Company and the Representatives have agreed is, as to the issue and sale of the Designated Securities, immediately prior to the time when sales of the Designated Securities to the public are to be first confirmed orally or in writing), contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided, however*, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Company by an Underwriter of Designated Securities through the Representatives expressly for use therein;

(b) Promptly from time to time to take such action as the Representatives may reasonably request to qualify the Designated Securities for offering and sale under the securities laws of such jurisdictions as the Representatives may request and to comply with such laws so as to permit the continuance of sales and dealings therein in such jurisdictions for as long as may be necessary to complete the distribution of such

Designated Securities, *provided* that in connection therewith the Company shall not be required to qualify as a foreign corporation or to file a general consent to service of process in any jurisdiction (it being recognized that, solely for purposes of this Section 5(b), the Company shall not be required by the Representatives, without its consent, to subject itself to any securities laws or regulations of the European Union, or of any foreign country, to which the Company was not subject immediately prior to the offering and sale of such Designated Securities);

(c) To furnish the Underwriters with copies of the Prospectus in such quantities as the Representatives may from time to time reasonably request, and, if the delivery of a prospectus (or in lieu thereof, the notice referred to in Rule 173(a) under the Securities Act) is required at any time in connection with the offering or sale of the Designated Securities and if at such time any event shall have occurred as a result of which the Prospectus as then amended or supplemented would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made when such Prospectus (or in lieu thereof, the notice referred to in Rule 173(a) under the Securities Act) is delivered, not misleading, or, if for any other reason it shall be necessary during such same period to amend or supplement the Prospectus or to file under the Exchange Act any document incorporated by reference in the Prospectus in order to comply with the Securities Act, the Exchange Act or the Trust Indenture Act, to notify the Representatives and, upon their request, to file such document and to prepare and furnish without charge to each Underwriter and to any dealer in securities as many copies as the Representatives may from time to time reasonably request of an amended Prospectus or a supplement to the Prospectus that will correct such statement or omission or effect such compliance;

(b) Such Underwriter has not used, and will not use, any free writing prospectus that contains the final terms of the Designated Securities unless such terms have previously been included in a free writing prospectus filed with the Commission in accordance with Rule 433 under the Securities Act, without the prior consent of the Company and the Representatives; *provided, however*, that each of the Underwriters may use a term sheet relating to the Designated Securities containing customary information not inconsistent with the Final Term Sheet prepared and filed pursuant to Section 5(a) hereof without the prior consent of the Company or the Representatives; and

(c) Such Underwriter is not subject to any pending proceeding under Section 8A of the Securities Act with respect to the offering of the Designated Securities and will promptly notify the Company if any such proceeding against it with respect to any offering of the Designated Securities is initiated during such period in which, in the opinion of counsel for the Underwriters, a prospectus relating to the Designated Securities is required by law to be delivered (or required to be delivered but for Rule 172 under the Securities Act) in connection with sale of the Designated Securities by any Underwriter or any dealer.

(xiii) the Registration Statement has become effective under the Securities Act; the Prospectus, together with all amendments and supplements thereto, relating to the Designated Securities was filed within the prescribed time periods pursuant to Rule 424(b) under the Securities Act; the Final Term Sheet and any other Issuer Free Writing Prospectus listed on Schedule II to the Pricing Agreement was filed with the Commission within the prescribed time periods pursuant to Rule 433 under the Securities Act; and, to the best knowledge of such counsel, no stop order suspending the effectiveness of the Registration Statement has been issued or proceeding for such purpose or pursuant to Section 8A of the Securities Act has been instituted or threatened by the Commission, and no notice of objection of the Commission to the use of the Registration Statement or any post-effective amendment thereto for the registration of the offer and sale of the Designated Securities pursuant to Rule 401(g)(2) under the Securities Act has been received by the Company; and

(xiv) the Company is not, and immediately after giving effect to the sale of the Designated Securities and the application of the proceeds therefrom as described in the Pricing Prospectus and the Prospectus will not be, an "investment company" within the meaning of, or subject to regulation under, the Investment Company Act of 1940, as amended.

In such opinion letter, such counsel shall advise the Underwriters, that, based solely on such counsel's participation in conferences with officers and other representatives of the Company, the independent registered public accounting firm of the Company, and counsel and representatives of the Underwriters at which the content of the Registration Statement, the Pricing Prospectus and the Prospectus and related matters were discussed, such counsel's review of records and documents provided to such counsel, or filed with the Commission, by the Company, and relying as to factual matters to the extent such counsel deems appropriate, upon statements by officers and other representatives of the Company, no legal or governmental proceedings are pending to which the Company or any of its Subsidiaries is a party or of which any property of the Company or any of its Subsidiaries is subject that, if determined adversely to the Company or any of its Subsidiaries, would, individually or in the aggregate, have a material adverse effect on the general affairs, management, financial position, shareholders' equity, results of operations or internal control over financial reporting of the Company and its Subsidiaries considered as one enterprise; and that, to the best knowledge of such counsel, no such proceedings are threatened or contemplated by governmental authorities or others.

In such opinion letter or in a separate letter such counsel shall state that, based solely on such counsel's participation in conferences with officers and other representatives of the Company, the independent registered public accounting firm of the Company, and counsel and representatives of the Underwriters at which the content of the Registration Statement, the Pricing Prospectus and the Prospectus and related matters were discussed, such counsel's review of records and documents provided to such counsel, or filed with the Commission, by the Company, and relying as to factual matters to the extent such counsel deems appropriate, upon statements by officers and other representatives of the Company, such counsel has no reason to believe that (A) as of its initial effective date and its most recent effective date as determined in accordance with the applicable provisions of Rule 430B under the Securities Act, the Registration Statement, including the Prospectus deemed a part thereof and the documents incorporated by reference therein (other than the financial statements, the notes and related schedules thereto, and any other financial data included or incorporated by reference therein, as to which such counsel need express no belief) contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (B) as of its date and the date of such opinion letter or separate letter, the Prospectus, including the documents incorporated by reference therein (other than the financial statements, the notes and related schedules thereto, and any other financial data included or incorporated by reference therein, as to which such counsel need express no belief), contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances in which they were made, not misleading, or (C) as of the Applicable Time, the Pricing Prospectus, including the documents incorporated by reference therein (other than the financial statements, the notes and related schedules thereto, and any other financial data included or incorporated by reference therein, as to which such counsel need express no belief), taken together with the Final Term Sheet and any other Issuer Free Writing Prospectus listed on Schedule II to the Pricing Agreement, contained an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, it being understood that such counsel expresses no opinion, statement or belief with respect to the Form T-1 included as an exhibit to the Registration Statement.

(d) At the Time of Delivery for the Designated Securities, Ernst & Young LLP shall have furnished to the Representatives a “comfort” letter or letters dated such Time of Delivery as to such matters as the Representatives may reasonably request and in form and substance satisfactory to the Representatives;

(e) (i) Neither the Company nor any of its Subsidiaries shall have sustained since the date of the latest audited financial statements included or incorporated by reference in the Pricing Prospectus and the Prospectus any loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, otherwise than as set forth in the Pricing Prospectus and the Prospectus, which loss or interference would have a material adverse effect on the general affairs, management, financial position, shareholders’ equity, results of operations or internal control over financial reporting of the Company and its Subsidiaries considered as one enterprise and (ii) since the dates as of which information is given in the Pricing Prospectus and the Prospectus, there shall not have been any change in the capital stock or long-term debt of the Company or any of its Subsidiaries or any change, or any development involving a prospective change, in or affecting the general affairs, management, financial position, shareholders’ equity, results of operations or internal control over financial reporting of the Company and its Subsidiaries considered as one enterprise, otherwise than as set forth in the Pricing Prospectus and the Prospectus, the effect of which, in any such case described in clause (i) or (ii), is in the judgment of the Representatives so material and adverse as to make it impracticable or inadvisable to proceed with the public offering or the delivery of the Designated Securities on the terms and in the manner contemplated in the Prospectus;

(f) On or after the date of the Pricing Agreement, (i) no downgrading shall have occurred in the rating accorded the Company’s debt securities (including, without limitation, any guaranteed debt securities) by any “nationally recognized statistical rating organization,” as that term is defined in Section 3(a)(62) of the Securities Exchange Act of 1934, as amended and (ii) no such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Company’s debt securities;

(g) On or after the date of the Pricing Agreement, there shall not have occurred any of the following: (i) a suspension or material limitation in trading in securities generally on the New York Stock Exchange; (ii) a suspension or material limitation in trading in the Company’s securities on the New York Stock Exchange; (iii) a general moratorium on commercial banking activities in New York declared by either U.S. federal or New York State authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States; or (iv) the outbreak or escalation of hostilities involving the United States or the declaration by the United States of a national emergency or war if the effect of any such event specified in this clause (iv), in the judgment of the Representatives, makes it impracticable or inadvisable to proceed with the public offering or the delivery of the Designated Securities on the terms and in the manner contemplated in the Prospectus; and

(h) The Company shall have furnished or caused to be furnished to the Representatives at the Time of Delivery for the Designated Securities a certificate or certificates of officers of the Company satisfactory to the Representatives as to the accuracy of the representations and warranties of the Company herein at and as of such Time of Delivery, as to the performance by the Company of all of its obligations hereunder to be performed at, or prior to, such Time of Delivery, as to the matters set forth in Sections 8(a) and 8(e) and as to such other matters as the Representatives may reasonably request.

9. Indemnification and Contribution. (a) The Company will indemnify and hold harmless each Underwriter against any losses, claims, damages or liabilities, joint or several, to which such Underwriter may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement, of a material fact contained in the Registration Statement, the Base Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, any amendment or supplement to any thereof, or any Issuer Free Writing Prospectus, any "issuer information" filed or required to be filed pursuant to Rule 433(d) under the Securities Act, or any "road show" (as defined in Rule 433 under the Securities Act) that does not otherwise constitute an Issuer Free Writing Prospectus, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Underwriter for any legal or other expenses reasonably incurred by such Underwriter in connection with investigating or defending any such action or claim as such expenses are incurred; *provided, however,* that the Company shall not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in the Registration Statement, the Base Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, any amendment or supplement to any thereof, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with information furnished in writing to the Company by an Underwriter of any Designated Securities through the Representatives expressly for use in any thereof.

(b) Each Underwriter will, severally and not jointly, indemnify and hold harmless the Company against any losses, claims, damages or liabilities to which the Company may become subject, under the Securities Act or otherwise insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Base Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, any amendment or supplement to any thereof, or any Issuer Free Writing Prospectus, arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, the Base Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, any amendment or supplement to any thereof, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with information furnished in writing to the Company by such Underwriter of Designated Securities through the Representatives expressly for use therein, and will reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such action or claim as such expenses are incurred.

(c) Promptly after receipt by an indemnified party under Section 9(a) or Section 9(b) of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such Section 9(a) or 9(b), notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability that it may have to any indemnified party otherwise than under such Section 9(a) or 9(b). In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under Section 9(a) or 9(b), as the case may be, for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation.

(d) If the indemnification provided for in this Section 9 is unavailable to or insufficient to hold harmless an indemnified party under Section 9(a) or Section 9(b) in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters of the Designated Securities on the other from the offering of the Designated Securities to which such loss, claim, damage or liability (or action in respect thereof) relates. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under Section 9(c), then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and the Underwriters of the Designated Securities on the other in connection with the statement or omissions that resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and such Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering of the Designated Securities (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by such Underwriters. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or such Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 9(d) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the

equitable considerations referred to above in this Section 9(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this Section 9(d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 9(d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the applicable Designated Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The obligations of the Underwriters of Designated Securities in this Section 9(d) to contribute are several in proportion to their respective underwriting obligations with respect to such Designated Securities and are not joint.

(e) The obligations of the Company under this Section 9 shall be in addition to any liability that the Company may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Underwriter within the meaning of the Securities Act; and the obligations of the Underwriters under this Section 9 shall be in addition to any liability that the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each director and officer of the Company and to each person, if any, who controls the Company within the meaning of the Securities Act.

10. Defaulting Underwriters. (a) If any Underwriter shall default in its obligation to purchase the Designated Securities that it has agreed to purchase under the Pricing Agreement, the Representatives may in their discretion arrange for themselves or another party or other parties to purchase such Designated Securities on the terms contained herein and therein. In the event that, within thirty-six hours after such default by any Underwriter, the Representatives do not arrange for the purchase of such Designated Securities, then the Company shall be entitled to a further period of thirty-six hours within which to procure another party or other parties satisfactory to the Representatives to purchase such Designated Securities on such terms. In the event that, within the respective prescribed period, the Representatives notify the Company that they have so arranged for the purchase of such Designated Securities, or the Company notifies the Representatives that it has so arranged for the purchase of such Designated Securities, the Representatives or the Company shall have the right to postpone the Time of Delivery for such Designated Securities for a period of not more than seven days, in order to effect whatever changes may thereby be made necessary in the Registration Statement or the Prospectus as amended or supplemented, or in any other documents or arrangements, and the Company agrees to file promptly any amendments or supplements to the Registration Statement or the Prospectus that in the opinion of the Representatives may thereby be made necessary. The term “Underwriter” as used in this Agreement shall include any person substituted under this Section 10 with like effect as if such person had originally been a party to the Pricing Agreement.

(b) If, after giving effect to any arrangements for the purchase of the Designated Securities of a defaulting Underwriter or Underwriters by the Representatives and the Company as provided in Section 10(a), the aggregate principal amount of such Designated Securities that

remains unpurchased does not exceed one-eleventh of the aggregate principal amount of the Designated Securities, then the Company shall have the right to require each non-defaulting Underwriter to purchase the principal amount of Designated Securities that such Underwriter agreed to purchase under the Pricing Agreement and, in addition, to require each non-defaulting Underwriter to purchase its pro rata share (based on the principal amount of Designated Securities that such Underwriter agreed to purchase under the Pricing Agreement) of the Designated Securities of such defaulting Underwriter or Underwriters for which such arrangements have not been made; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

(c) If, after giving effect to any arrangements for the purchase of the Designated Securities of a defaulting Underwriter or Underwriters by the Representatives and the Company as provided in Section 10(a), the aggregate principal amount of Designated Securities that remains unpurchased exceeds one-eleventh of the aggregate principal amount of the Designated Securities, as referred to in Section 10(b), or if the Company shall not exercise the right described in Section 10(b) to require non-defaulting Underwriters to purchase Designated Securities of a defaulting Underwriter or Underwriters, then the Pricing Agreement shall thereupon terminate, without liability on the part of any non-defaulting Underwriter or the Company, except for the expenses to be borne by the Company and the Underwriters as provided in Section 6 hereof and the indemnity and contribution agreements in Section 9 hereof; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

11. Survival. The respective indemnities, agreements, representations, warranties and other statements of the Company and the several Underwriters, as set forth in this Agreement or made by or on behalf of them pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Underwriter or any controlling person of any Underwriter, or the Company or any director or officer or controlling person of the Company, and shall survive delivery of and payment for the Designated Securities with respect to which such indemnities, agreements, representations, warranties and other statements are made or given.

12. Termination. If the Pricing Agreement shall be terminated pursuant to Section 10 hereof, the Company shall not then be under any liability to any Underwriter with respect to the Designated Securities covered by the Pricing Agreement except as provided in Section 7 and Section 9 hereof; but, if for any other reason the Designated Securities are not delivered by or on behalf of the Company as provided herein, the Company will reimburse the Underwriters through the Representatives for all out-of-pocket expenses approved in writing by the Representatives, including fees and disbursements of counsel, reasonably incurred by the Underwriters in making preparations for the purchase, sale and delivery of such Designated Securities, but the Company shall then be under no further liability to any Underwriter with respect to such Designated Securities except as provided in Section 7 and Section 9 hereof.

13. Authority of Representatives. In all dealings hereunder, the Representatives of the Underwriters of the Designated Securities shall act on behalf of each of such Underwriters, and the parties hereto shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of any Underwriter made or given by such Representatives jointly or by such of the Representatives, if any, as may be designated for such purpose in the Pricing Agreement.

14. Nature of Underwriters' Obligations. The Company acknowledges and agrees that (i) the purchase and sale of the Designated Securities pursuant to this Agreement and the Pricing Agreement is an arm's-length commercial transaction between the Company, on the one hand, and the several Underwriters, on the other, (ii) in connection therewith and with the process leading to such transaction each Underwriter is acting solely as a principal and not the agent or fiduciary of the Company, (iii) no Underwriter has assumed an advisory or fiduciary responsibility in favor of the Company with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) or any other obligation to the Company except the obligations expressly set forth in this Agreement and the Pricing Agreement and (iv) the Company has consulted its own legal and financial advisors to the extent it has deemed appropriate. The Company agrees that it shall not claim that the Underwriters, or any of them, have rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Company, in connection with the offering of the Designated Securities contemplated hereby or the process leading thereto.

15. Notices. All statements, requests, notices and agreements hereunder shall be in writing, and if to the Company, shall be delivered or sent by mail, air courier or facsimile transmission (which shall be effective upon confirmation by telephone) to the address of the Company set forth in the Registration Statement, Attention: Chief Executive Officer, with a copy to the General Counsel of the Company; and, if to the Underwriters, shall be delivered or sent by mail, air courier or facsimile transmission (which shall be effective upon confirmation by telephone) to the address or addresses of the Representative or Representatives, as the case may be, as set forth in the Pricing Agreement; *provided, however*, that any notice to an Underwriter pursuant to Section 9(c) hereof shall be delivered or sent by mail, air courier, telex or facsimile transmission (which shall be effective upon confirmation by telephone) to such Underwriter at its address which, if not set forth in the Pricing Agreement, will be supplied to the Company by the Representatives upon request. Any such statements, requests, notices or agreements shall take effect upon the addressee's receipt thereof.

16. Persons Entitled to the Benefit of Agreement. This Agreement and the Pricing Agreement shall be binding upon, and inure solely to the benefit of, the Underwriters, the Company and, to the extent provided in Section 9 and Section 11 hereof, the directors and officers of the Company and each person who controls the Company or any Underwriter, and their respective successors and assigns (including, in the case of natural persons, their respective heirs, executors and administrators), and no other person shall acquire or have any right under or by virtue of this Agreement or the Pricing Agreement. No purchaser of any of the Securities from any Underwriter shall be deemed a successor or assign by reason merely of such purchase.

17. Time of Essence. Time shall be of the essence of the Pricing Agreement. As used herein, "business day" shall mean any day when the Commission's office in Washington, D.C. is open for business.

18. Definitive Agreement. This Agreement and the Pricing Agreement supersede all prior agreements and understandings (whether written or oral) between the Company and the Underwriters, or any of them, with respect to the subject matter hereof and thereof.

19. GOVERNING LAW. THIS AGREEMENT AND THE PRICING AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

20. WAIVER OF JURY TRIAL. THE COMPANY AND EACH OF THE UNDERWRITERS HEREBY IRREVOCABLY WAIVE, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE PRICING AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

21. Counterparts. This Agreement and the Pricing Agreement may be executed by any one or more of the parties hereto and thereto in any number of counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument.

If the foregoing is in accordance with your understanding, please sign and return to us counterparts hereof.

Very truly yours,

Series Terms Certificate
Pursuant to the Indenture
Relating to Floating Rate Notes Due 2020

Pursuant to Section 3.01 of the Indenture, dated as of July 19, 2005, as amended and supplemented by that certain First Supplemental Indenture, dated as of December 1, 2006, that certain Second Supplemental Indenture, dated as of December 19, 2014, and that certain Third Supplemental Indenture, dated as of June 26, 2018 (as so amended and supplemented, the “Indenture”), made between Walmart Inc., a Delaware corporation (the “Company”), and The Bank of New York Mellon Trust Company, N.A., as Trustee (the “Trustee”), Matthew Allen, Vice President—Finance & Assistant Treasurer of the Company (the “Certifying Authorized Officer”), hereby certifies as follows, and Gordon Y. Allison, Vice President, Division General Counsel, Corporate, and Assistant Secretary of the Company, attests to the following certification. Any capitalized term used herein shall have the definition ascribed to that term as set forth in the Indenture unless otherwise defined herein.

A. This certificate is a Series Terms Certificate contemplated by Section 3.01 of the Indenture and is being executed to evidence the establishment and approval of the terms and conditions of a Series that was established pursuant to Section 3.01 of the Indenture by means of a Unanimous Written Consent of the Executive Committee of the Board of Directors of the Company, effective as of June 15, 2018 (the “Series Consent”), which Series is designated as the “Floating Rate Notes Due 2020” (the “2020 FRN Series”) by the Certifying Authorized Officer pursuant to the grant of authority under the terms of the Series Consent.

B. Each of the undersigned has read the Indenture, including the provisions of Sections 1.02 and 3.01 and the definitions relating thereto, and the resolutions adopted in the Series Consent. In the opinion of the undersigned, the undersigned have made such examination or investigation as is necessary to enable the undersigned to express an informed opinion as to whether or not all conditions precedent provided for in the Indenture relating to the creation, establishment and approval of the title, the form and the terms of a Series under the Indenture, and to the authentication and delivery by the Trustee of promissory notes of a Series, have been complied with. In the opinion of the undersigned, (i) all such conditions precedent have been complied with and (ii) there are no Events of Default, or events which, with the passage of time, would become an Event of Default under the Indenture that have occurred and are continuing at the date of this certificate.

C. Pursuant to the Series Consent, the Company is authorized to issue initially promissory notes of the 2020 FRN Series and the other promissory notes of the other series of notes established by the Series Consent having an aggregate principal amount in United States dollars not to exceed \$16,000,000,000. A copy of the Series Consent is attached hereto as Annex A. Any promissory notes that the Company issues that are a

part of the 2020 FRN Series (the “2020 FRN Notes”) shall be issued in registered book-entry form, shall be substantially in the form attached hereto as Annex B (the “Form of 2020 FRN Note”) and shall initially be represented by a global security. Acting pursuant to authority delegated to the Certifying Authorized Officer pursuant to the Series Consent, the Certifying Authorized Officer has approved and set the aggregate principal amount of the 2020 FRN Notes initially to be issued (the “Initial 2020 FRN Notes”) to be \$750,000,000.

D. Pursuant to Section 3.01 of the Indenture, the terms and conditions of the 2020 FRN Series and the 2020 FRN Notes are established and approved to be the following:

1. Designation:

The Series established by the Series Consent is designated as the “Floating Rate Notes Due 2020”.

2. Aggregate Principal Amount:

The 2020 FRN Series is not limited as to the aggregate principal amount of all the promissory notes of the 2020 FRN Series that the Company may issue; *provided, however*, that any additional promissory notes of the 2020 FRN Series that are not fungible with any then outstanding 2020 FRN Notes for United States federal income tax purposes will be issued under CUSIP and ISIN numbers separate from the CUSIP and ISIN numbers of such outstanding 2020 FRN Notes; and *provided, further*, that no additional 2020 FRN Notes may be issued under the Indenture if an Event of Default has occurred and remains uncured thereunder. The Company is issuing the Initial 2020 FRN Notes in an aggregate original principal amount of \$750,000,000.

3. Maturity:

Final maturity of the 2020 FRN Notes shall be June 23, 2020.

4. Interest:

a. Rate

The 2020 FRN Notes shall bear interest at a floating rate per annum equal to the London Interbank Offered Rate (“LIBOR”) for deposits in U.S. dollars having a three-month maturity, as determined as set forth below by the calculation agent (the “Calculation Agent”), which initially will be The Bank of New York Mellon Trust Company, N.A., plus four (4) basis points (i.e., 0.040%) for each Interest Period (as defined below). Interest on the 2020 FRN Notes shall commence accruing from and including June 27, 2018 and shall be computed on the basis of the actual number of days during the relevant Interest Period and of a 360-day year.

b. Interest Rate Determination and Interest Calculation

The Calculation Agent shall compute interest accruing on the 2020 FRN Notes from and including the last interest payment date to which interest has been paid (or from and including the date of issue if no interest has been paid with respect to the 2020 FRN Notes) to but excluding the applicable Interest Payment Date (as defined below) or the maturity date, as the case may be. The Calculation Agent will reset the rate of interest on the 2020 FRN Notes on each Interest Payment Date (each, an "Interest Reset Date"). The interest rate set for the 2020 FRN Notes on a particular Interest Reset Date will remain in effect during the Interest Period commencing on that Interest Reset Date. Each Interest Period will be the period from and including a particular Interest Reset Date (other than the initial Interest Period, which will commence on and include June 27, 2018) to but excluding the next Interest Reset Date or until the maturity date of the 2020 FRN Notes, as the case may be. "Business Day" shall mean any day which is not a day on which banking institutions in the City or New York or the relevant place of payment are authorized or required by law, regulation or executive order to close.

The Calculation Agent will determine the applicable interest rate on the 2020 FRN Notes for the succeeding Interest Period on the Interest Determination Date (as defined below) for that Interest Period, which will be the second London Business Day immediately preceding the applicable Interest Reset Date (each, an "Interest Determination Date"). The interest rate determined on an Interest Determination Date for the 2020 FRN Notes (a) will become effective on and as of the next Interest Reset Date and (b) shall be the rate at which interest is payable on the 2020 FRN Notes for the period from and including the Interest Reset Date on which that interest rate becomes effective to, but excluding, the succeeding Interest Reset Date or maturity, as applicable (each, an "Interest Period"). The initial Interest Determination Date shall be June 25, 2018 for the Interest Period commencing June 27, 2018. "London Business Day" shall mean any day on which dealings in deposits in U.S. dollars are transacted in the London interbank market.

The Calculation Agent shall determine the applicable LIBOR rate according to the following provisions:

(i) LIBOR for a particular Interest Period will be the rate for deposits in U.S. dollar having a three-month maturity commencing on the second London Business Day immediately following the Interest Determination Date, which appears on Reuters Page LIBOR01 (as defined below) as of 11:00 A.M., London time, on that Interest Determination Date for U.S. dollars. Except as otherwise provided below, if on a particular Interest Determination Date, LIBOR for deposits in U.S. dollars having a three-month maturity commencing on the second London Business Day immediately following the Interest Determination Date does not appear on Reuters Page LIBOR01 at approximately 11:00 A.M., London time, or if Reuters Page LIBOR01 is not available on such date, LIBOR for the Interest Period commencing immediately after such Interest Determination Date will be the rate for deposits in U.S. dollars having a three-month maturity commencing on the second London Business Day immediately following the particular Interest Determination Date that appears on Bloomberg, L.P.'s page "BBAM" at 11:00 a.m., London time, on such Interest Determination Date.

(ii) Except as otherwise provided below, if the LIBOR rate for deposits in U.S. dollars having a three-month maturity cannot be determined by reference to Reuters Page LIBOR01 or Bloomberg, L.P.'s page "BBAM" on an Interest Determination Date as described above, then the Calculation Agent will determine LIBOR as follows:

(A) the Calculation Agent shall select the principal London offices of four major banks in the London interbank market and request each bank to provide its offered quotation for deposits in U.S. dollars having a three-month maturity commencing on the second London Business Day immediately following the Interest Determination Date, to prime banks in the London interbank market at approximately 11:00 A.M., London time, on the Interest Determination Date. Those quotes will be for deposits in U.S. dollars in a principal amount that is representative of a single transaction in U.S. dollars in the market at that time, but which principal amount shall be no less than \$1 million. If at least two of those banks provide a quotation, the Calculation Agent will compute LIBOR as the arithmetic mean of the quotations provided;

(B) if fewer than two of those banks provide a quotation, the Calculation Agent will request from three major banks in New York, New York at approximately 11:00 A.M., New York City time, on the Interest Determination Date, quotations for loans in U.S. dollars having a three-month term to leading European banks, commencing on the second London Business Day immediately following the Interest Determination Date. These quotes will be for loans in a principal amount that is representative of a single transaction in the market at that time, but which principal amount shall be no less than \$1 million. The Calculation Agent will compute LIBOR as the arithmetic mean of the quotations provided; and

(C) if none of the banks chosen by the Calculation Agent provides a quotation as discussed above, the rate of interest at which interest accrues on the 2020 FRN Notes will be the interest rate in effect for the 2020 FRN Notes for the then current Interest Period.

All percentages resulting from any calculation of the rate of interest on the 2020 FRN Notes will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upward (e.g., 4.526545% (or .04526545) will be rounded upward to 4.52655% (or .0452655)) and all U.S. dollar amounts used in or resulting from such calculation will be rounded to the nearest cent (with one-half cent being rounded upward).

The term “Reuters Page LIBOR01” refers to the display appearing on Thompson Reuters EIKON (or any successor service) designated as page “LIBOR01” (or any replacement page on that service or equivalent page on any successor service) and the term “BBAM” refers to the display appearing on Bloomberg L.P.’s Bloomberg Professional (or any successor service) designated as page “BBAM” (or any replacement page on that service or equivalent page on any successor service), in each case for the purpose of displaying London interbank offered rates administered by ICE Benchmark Administration Limited (or any other person assuming the responsibility for the administration of those rates).

The interest rate payable on the 2020 FRN Notes shall not be higher than the maximum rate permitted by the laws of the State of New York, as the same may be modified by the federal laws of the United States of America.

The Calculation Agent shall promptly notify the Trustee of each determination of the interest rate applicable to the 2020 FRN Notes, and of each Interest Period, the amount of interest expected to accrue for such Interest Period and the Interest Payment Date related to each Interest Period beginning with each Interest Reset Date, as soon as such information becomes available. The Trustee shall make such information available to the holders of the 2020 FRN Notes upon request.

The Calculation Agent determination of any interest rate and its calculation of the amount of interest for any Interest Period will be final and binding in the absence of manifest error.

So long as any 2020 FRN Note shall be outstanding, the Company shall maintain a Calculation Agent as to the 2020 FRN Notes. The Company shall appoint a bank, trust company, investment banking firm or other financial institution to act as the successor calculation agent to The Bank of New York Mellon Trust Company, N.A. or any of its successors in that capacity in the event that:

- (i) any acting Calculation Agent is unable or unwilling to act as the calculation agent,
- (ii) any acting Calculation Agent fails to establish the floating interest rate for any Interest Period, or
- (iii) the Company proposes to remove the Calculation Agent.

Notwithstanding the foregoing, if the Company or the Calculation Agent determines that LIBOR has been permanently discontinued, then the Calculation Agent will use, as a substitute for LIBOR and for each future Interest Determination Date, the alternative reference rate (the "Alternative Rate") selected by the central bank, reserve bank, monetary authority or any similar institution (including any committee or working group thereof) that is consistent with accepted market practice. As part of such substitution, the Calculation Agent will, after consultation with the Company, make such adjustments ("Adjustments") to the Alternative Rate or the spread thereon, as well as the Business Day convention, Interest Determination Dates and related provisions and definitions, in each case that are consistent with accepted

market practice for the use of such Alternative Rate for debt obligations such as the 2020 FRN Notes. If the Calculation Agent determines, and following consultation with the Company, that there is no clear market consensus as to whether any rate has replaced LIBOR in customary market usage, (i) The Bank of New York Mellon Trust Company, N.A. shall have the right to resign as Calculation Agent in respect of the 2020 FRN Notes and (ii) the Company will appoint, in its sole discretion, a new Calculation Agent to replace The Bank of New York Mellon Trust Company, N.A., solely in its role as Calculation Agent in respect of the 2020 FRN Notes, to determine the Alternative Rate and make any Adjustments thereon, and whose determinations will be binding on the Company, the Trustee and the holders of the 2020 FRN Notes. If, however, the Calculation Agent determines that LIBOR has been discontinued, but for any reason an Alternative Rate has not been determined, LIBOR will be equal to such rate on the Interest Determination Date when LIBOR was last available on the Reuters Page LIBOR01, as determined by the Calculation Agent.

c. Payment Dates

Interest shall be payable on the 2020 FRN Notes quarterly in arrears on each March 23, June 23, September 23 and December 23 prior to the maturity of the 2020 FRN Notes and at maturity (each an “Interest Payment Date”) to the person or persons in whose name or names the 2020 FRN Notes are registered at the close of business on the immediately preceding March 8, June 8, September 8 and December 8, respectively, with the initial interest payment date to be September 23, 2018. If any Interest Payment Date for the 2020 FRN Notes (other than the maturity date) would otherwise be a day that is not a Business Day, then the Interest Payment Date will be postponed to the next succeeding Business Day, unless that Business Day falls in the next succeeding calendar month, in which case the Interest Payment Date will be the immediately preceding Business Day. If the maturity date of the 2020 FRN Notes falls on a day which is not a Business Day, then the Company will make the required payment of principal and interest on the next succeeding Business Day, as if it were made on the date the payment was due. Interest will not accrue on, from or after the stated maturity date as a result of this delayed payment.

5. Currency of Payment:

The principal and interest payable with respect to the 2020 FRN Notes shall be payable in United States dollars.

6. Payment Places:

All payments of principal of, and interest on, the 2020 FRN Notes shall be made as set forth in Section 5 of the Form of 2020 FRN Note.

7. Optional Redemption Features:

None.

8. Special Redemption Features, etc.:

None.

9. Denominations:

11. Registrar, Paying Agent and Calculation Agent:

The Bank of New York Mellon Trust Company, N.A. shall be the registrar and paying agent for the 2020 FRN Notes and shall be the calculation agent for the 2020 FRN Notes.

12. Payment of Additional Amounts:

None.

13. Book-Entry Procedures:

The 2020 FRN Notes shall be initially issued in the form of global notes registered in the name of Cede & Co., as nominee for The Depository Trust Company, and shall be issued in certificated form only in limited circumstances, in each case, as set forth under Sections 11 and 12 of the Form of 2020 FRN Note. The 2020 FRN Notes shall be initially issued in the form of a total of two global notes, one of which global notes shall be in the principal amount of \$500,000,000 and one of which global notes shall be in the principal amount of \$250,000,000.

14. Other Terms:

Sections 2, 3, 4, 5, 6, 8, 9, 10, 11, 12, 13, 14, 15, 16, and 17 of the Form of 2020 FRN Note shall also apply to the 2020 FRN Notes.

The 2020 FRN Notes shall not have any terms or conditions of the type contemplated by clause (ii), (iii), (vi), (vii), (xi), (xii), (xiii), (xiv), (xvi), (xvii), (xviii), (xix) or (xx) of Section 3.01(j) of the Indenture.

Allison, Vice President, Division General Counsel, Corporate, and Assistant Secretary of the Company, attests to the following certification. Any capitalized term used herein shall have the definition ascribed to that term as set forth in the Indenture unless otherwise defined herein.

A. This certificate is a Series Terms Certificate contemplated by Section 3.01 of the Indenture and is being executed to evidence the establishment and approval of the terms and conditions of a Series that was established pursuant to Section 3.01 of the Indenture by means of a Unanimous Written Consent of the Executive Committee of the Board of Directors of the Company, effective as of June 15, 2018 (the “Series Consent”), which Series is designated as the “Floating Rate Notes Due 2021” (the “2021 FRN Series”) by the Certifying Authorized Officer pursuant to the grant of authority under the terms of the Series Consent.

B. Each of the undersigned has read the Indenture, including the provisions of Sections 1.02 and 3.01 and the definitions relating thereto, and the resolutions adopted in the Series Consent. In the opinion of the undersigned, the undersigned have made such examination or investigation as is necessary to enable the undersigned to express an informed opinion as to whether or not all conditions precedent provided for in the Indenture relating to the creation, establishment and approval of the title, the form and the terms of a Series under the Indenture, and to the authentication and delivery by the Trustee of promissory notes of a Series, have been complied with. In the opinion of the undersigned, (i) all such conditions precedent have been complied with and (ii) there are no Events of Default, or events which, with the passage of time, would become an Event of Default under the Indenture that have occurred and are continuing at the date of this certificate.

C. Pursuant to the Series Consent, the Company is authorized to issue initially promissory notes of the 2021 FRN Series and the other promissory notes of the other series of notes established by the Series Consent having an aggregate principal amount in United States dollars not to exceed \$16,000,000,000. A copy of the Series Consent is attached hereto as Annex A. Any promissory notes that the Company issues that are a part of the 2021 FRN Series (the “2021 FRN Notes”) shall be issued in registered book-entry form, shall be substantially in the form attached hereto as Annex B (the “Form of

2021 FRN Note”) and shall initially be represented by a global security. Acting pursuant to authority delegated to the Certifying Authorized Officer pursuant to the Series Consent, the Certifying Authorized Officer has approved and set the aggregate principal amount of the 2021 FRN Notes initially to be issued (the “Initial 2021 FRN Notes”) to be \$750,000,000.

D. Pursuant to Section 3.01 of the Indenture, the terms and conditions of the 2021 FRN Series and the 2021 FRN Notes are established and approved to be the following:

1. Designation:

The Series established by the Series Consent is designated as the “Floating Rate Notes Due 2021”.

2. Aggregate Principal Amount:

The 2021 FRN Series is not limited as to the aggregate principal amount of all the promissory notes of the 2021 FRN Series that the Company may issue; *provided, however*, that any additional promissory notes of the 2021 FRN Series that are not fungible with any then outstanding 2021 FRN Notes for United States federal income tax purposes will be issued under CUSIP and ISIN numbers separate from the CUSIP and ISIN numbers of such outstanding 2021 FRN Notes; and *provided, further*, that no additional 2021 FRN Notes may be issued under the Indenture if an Event of Default has occurred and remains uncured thereunder. The Company is issuing the Initial 2021 FRN Notes in an aggregate original principal amount of \$750,000,000.

3. Maturity:

Final maturity of the 2021 FRN Notes shall be June 23, 2021.

4. Interest:

a. Rate

The 2021 FRN Notes shall bear interest at a floating rate per annum equal to the London Interbank Offered Rate (“LIBOR”) for deposits in U.S. dollars having a three-month maturity, as determined as set forth below by the calculation agent (the “Calculation Agent”), which initially will be The Bank of New York Mellon Trust Company, N.A., plus twenty-three (23) basis points (i.e., 0.230%) for each Interest Period (as defined below). Interest on the 2021 FRN Notes shall commence accruing from and including June 27, 2018 and shall be computed on the basis of the actual number of days during the relevant Interest Period and of a 360-day year.

b. Interest Rate Determination and Interest Calculation

The Calculation Agent shall compute interest accruing on the 2021 FRN Notes from and including the last interest payment date to which interest has been paid (or from and including the date of issue if no interest has been paid with respect to the 2021 FRN Notes) to but excluding the applicable Interest Payment Date (as defined below) or the maturity date, as the case may be. The Calculation Agent will reset the rate of interest on the 2021 FRN Notes on each Interest Payment Date (each, an "Interest Reset Date"). The interest rate set for the 2021 FRN Notes on a particular Interest Reset Date will remain in effect during the Interest Period commencing on that Interest Reset Date. Each Interest Period will be the period from and including a particular Interest Reset Date (other than the initial Interest Period, which will commence on and include June 27, 2018) to but excluding the next Interest Reset Date or until the maturity date of the 2021 FRN Notes, as the case may be. "Business Day" shall mean any day which is not a day on which banking institutions in the City or New York or the relevant place of payment are authorized or required by law, regulation or executive order to close.

The Calculation Agent will determine the applicable interest rate on the 2021 FRN Notes for the succeeding Interest Period on the Interest Determination Date (as defined below) for that Interest Period, which will be the second London Business Day immediately preceding the applicable Interest Reset Date (each, an "Interest Determination Date"). The interest rate determined on an Interest Determination Date for the 2021 FRN Notes (a) will become effective on and as of the next Interest Reset Date and (b) shall be the rate at which interest is payable on the 2021 FRN Notes for the period from and including the Interest Reset Date on which that interest rate becomes effective to, but excluding, the succeeding Interest Reset Date or maturity, as applicable (each, an "Interest Period"). The initial Interest Determination Date shall be June 25, 2018 for the Interest Period commencing June 27, 2018. "London Business Day" shall mean any day on which dealings in deposits in U.S. dollars are transacted in the London interbank market.

The Calculation Agent shall determine the applicable LIBOR rate according to the following provisions:

- (i) LIBOR for a particular Interest Period will be the rate for deposits in U.S. dollar having a three-month maturity commencing on the second London Business Day immediately following the Interest Determination Date,

which appears on Reuters Page LIBOR01 (as defined below) as of 11:00 A.M., London time, on that Interest Determination Date for U.S. dollars. Except as otherwise provided below, if on a particular Interest Determination Date, LIBOR for deposits in U.S. dollars having a three-month maturity commencing on the second London Business Day immediately following the Interest Determination Date does not appear on Reuters Page LIBOR01 at approximately 11:00 A.M., London time, or if Reuters Page LIBOR01 is not available on such date, LIBOR for the Interest Period commencing immediately after such Interest Determination Date will be the rate for deposits in U.S. dollars having a three-month maturity commencing on the second London Business Day immediately following the particular Interest Determination Date that appears on Bloomberg, L.P.'s page "BBAM" at 11:00 a.m., London time, on such Interest Determination Date.

(ii) Except as otherwise provided below, if the LIBOR rate for deposits in U.S. dollars having a three-month maturity cannot be determined by reference to Reuters Page LIBOR01 or Bloomberg, L.P.'s page "BBAM" on an Interest Determination Date as described above, then the Calculation Agent will determine LIBOR as follows:

(A) the Calculation Agent shall select the principal London offices of four major banks in the London interbank market and request each bank to provide its offered quotation for deposits in U.S. dollars having a three-month maturity commencing on the second London Business Day immediately following the Interest Determination Date, to prime banks in the London interbank market at approximately 11:00 A.M., London time, on the Interest Determination Date. Those quotes will be for deposits in U.S. dollars in a principal amount that is representative of a single transaction in U.S. dollars in the market at that time, but which principal amount shall be no less than \$1 million. If at least two of those banks provide a quotation, the Calculation Agent will compute LIBOR as the arithmetic mean of the quotations provided;

(B) if fewer than two of those banks provide a quotation, the Calculation Agent will request from three major banks in New York, New York at approximately 11:00 A.M., New York City time, on the Interest Determination Date, quotations for loans in U.S. dollars having a three-month term to leading European banks, commencing on the second London Business Day immediately following the Interest Determination Date. These quotes will be for loans in a principal amount that is representative of a single transaction in the market at that time, but which principal amount shall be no less than \$1 million. The Calculation Agent will compute LIBOR as the arithmetic mean of the quotations provided; and

(C) if none of the banks chosen by the Calculation Agent provides a quotation as discussed above, the rate of interest at which interest accrues on the 2021 FRN Notes will be the interest rate in effect for the 2021 FRN Notes for the then current Interest Period.

All percentages resulting from any calculation of the rate of interest on the 2021 FRN Notes will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upward (e.g., 4.526545% (or .04526545) will be rounded upward to 4.52655% (or .0452655)) and all U.S. dollar amounts used in or resulting from such calculation will be rounded to the nearest cent (with one-half cent being rounded upward).

The term “Reuters Page LIBOR01” refers to the display appearing on Thompson Reuters EIKON (or any successor service) designated as page “LIBOR01” (or any replacement page on that service or equivalent page on any successor service) and the term “BBAM” refers to the display appearing on Bloomberg L.P.’s Bloomberg Professional (or any successor service) designated as page “BBAM” (or any replacement page on that service or equivalent page on any successor service), in each case for the purpose of displaying London interbank offered rates administered by ICE Benchmark Administration Limited (or any other person assuming the responsibility for the administration of those rates).

The interest rate payable on the 2021 FRN Notes shall not be higher than the maximum rate permitted by the laws of the State of New York, as the same may be modified by the federal laws of the United States of America.

The Calculation Agent shall promptly notify the Trustee of each determination of the interest rate applicable to the 2021 FRN Notes, and of each Interest Period, the amount of interest expected to accrue for such Interest Period and the Interest Payment Date related to each Interest Period beginning with each Interest Reset Date, as soon as such information becomes available. The Trustee shall make such information available to the holders of the 2021 FRN Notes upon request.

The Calculation Agent determination of any interest rate and its calculation of the amount of interest for any Interest Period will be final and binding in the absence of manifest error.

So long as any 2021 FRN Note shall be outstanding, the Company shall maintain a Calculation Agent as to the 2021 FRN Notes. The Company shall appoint a bank, trust company, investment banking firm or other financial institution to act as the successor calculation agent to The Bank of New York Mellon Trust Company, N.A. or any of its successors in that capacity in the event that:

- (i) any acting Calculation Agent is unable or unwilling to act as the calculation agent,
- (ii) any acting Calculation Agent fails to establish the floating interest rate for any Interest Period, or
- (iii) the Company proposes to remove the Calculation Agent

Notwithstanding the foregoing, if the Company or the Calculation Agent determines that LIBOR has been permanently discontinued, then the Calculation Agent will use, as a substitute for LIBOR and for each future Interest Determination Date, the alternative reference rate (the “Alternative Rate”) selected by the central bank, reserve bank, monetary authority or any similar institution (including any committee or working group thereof) that is consistent with accepted market practice. As part of such substitution, the Calculation Agent will, after consultation with the Company, make such adjustments (“Adjustments”) to the Alternative Rate or the spread thereon, as well as the Business Day convention, Interest Determination Dates and related provisions and definitions, in each case that are consistent with accepted market practice for the use of such Alternative Rate for debt obligations such as the 2021 FRN Notes. If the Calculation Agent

determines, and following consultation with the Company, that there is no clear market consensus as to whether any rate has replaced LIBOR in customary market usage, (i) The Bank of New York Mellon Trust Company, N.A. shall have the right to resign as Calculation Agent in respect of the 2021 FRN Notes and (ii) the Company will appoint, in its sole discretion, a new Calculation Agent to replace The Bank of New York Mellon Trust Company, N.A., solely in its role as Calculation Agent in respect of the 2021 FRN Notes, to determine the Alternative Rate and make any Adjustments thereon, and whose determinations will be binding on the Company, the Trustee and the holders of the 2021 FRN Notes. If, however, the Calculation Agent determines that LIBOR has been discontinued, but for any reason an Alternative Rate has not been determined, LIBOR will be equal to such rate on the Interest Determination Date when LIBOR was last available on the Reuters Page LIBOR01, as determined by the Calculation Agent.

c. Payment Dates

Interest shall be payable on the 2021 FRN Notes quarterly in arrears on each March 23, June 23, September 23 and December 23 prior to the maturity of the 2021 FRN Notes and at maturity (each an "Interest Payment Date") to the person or persons in whose name or names the 2021 FRN Notes are registered at the close of business on the immediately preceding March 8, June 8, September 8 and December 8, respectively, with the initial interest payment date to be September 23, 2018. If any Interest Payment Date for the 2021 FRN Notes (other than the maturity date) would otherwise be a day that is not a Business Day, then the Interest Payment Date will be postponed to the next succeeding Business Day, unless that Business Day falls in the next succeeding calendar month, in which case the Interest Payment Date will be the immediately preceding Business Day. If the maturity date of the 2021 FRN Notes falls on a day which is not a Business Day, then the Company will make the required payment of principal and interest on the next succeeding Business Day, as if it were made on the date the payment was due. FLOATING RATE NOTES DUE 2020

1. *Indenture; Notes.* This Note is one of a duly authorized Series of Securities of the Company designated as the “Floating Rate Notes Due 2020” (the “Notes”), initially issued in an aggregate principal amount of \$750,000,000 on June 27, 2018. Such Series of Securities has been established pursuant to, and is one of an indefinite number of Series of debt securities of the Company, issued or issuable under and pursuant to, the Indenture, dated as of July 19, 2005, by and between the Company, as Issuer, and The Bank of New York Mellon Trust Company, N.A., as Trustee (the “Trustee”), as supplemented and amended by the First Supplemental Indenture, dated as of December 1, 2006, the Second Supplemental Indenture, dated as of December 19, 2014, and the Third Supplemental Indenture, dated as of June 26, 2018, in each case, by and between the Company, as Issuer, and the Trustee (the “Indenture”), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Company and the Holders of the Notes and of the terms upon which this Note is, and is to be, authenticated and delivered. The terms, conditions and provisions of the Notes are those stated in the Indenture, those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended, and those set forth in this Note. To the extent that the terms, conditions and other provisions of this Note modify, supplement or are inconsistent with those of the Indenture, then the terms, conditions and other provisions of this Note shall govern.

All capitalized terms which are used but not defined in this Note shall have the meanings assigned to them in the Indenture.

The Company may, without the consent of the Holders, create and issue additional Securities ranking equally with the Notes and otherwise identical in all respects (except for the public offering price, initial interest accrual date, initial Interest Payment Date, and the issue date) so that such additional Securities shall be consolidated and form a single Series with the Notes; *provided, however*, that any additional Securities that are not fungible with any then outstanding Notes for United States federal income tax purposes will be issued under CUSIP and ISIN numbers separate from the CUSIP and ISIN numbers of such outstanding Notes; and *provided, further*, that no additional Securities of any existing or new Series may be issued under the Indenture if an Event of Default has occurred and remains uncured thereunder.

2. *Interest Rate.* The rate at which interest shall accrue and be payable on the Notes shall be a floating rate, which for each Interest Period (as defined below) shall be the Three-Month LIBOR Rate (as defined below) determined for that Interest Period plus four (4) basis points (i.e., 0.040%).

The Calculation Agent (as defined below) will reset the rate of interest on the Notes for each Interest Period on the Interest Payment Date at the beginning of such Interest Period (each, an “Interest Reset Date”).

The Calculation Agent shall determine the applicable interest rate on the Notes for the succeeding Interest Period on the second London Business Day immediately preceding the applicable Interest Reset Date (each, an “Interest Determination Date”). The Interest Determination Date for the initial applicable interest rate on the Notes was June 25, 2018.

The interest rate determined on an Interest Determination Date for the Notes (a) shall become effective on and as of the next succeeding Interest Reset Date and (b) shall be the rate at which interest is payable on the Notes for the period from and including the Interest Reset Date on which that interest rate becomes effective to, but excluding, the succeeding Interest Reset Date or maturity, as applicable (each, an "Interest Period").

The Bank of New York Mellon Trust Company, N.A. has initially been appointed in Section 14 to act as calculation agent (together with its successors in that capacity, the "Calculation Agent") in connection with the Notes. The Calculation Agent shall serve as the calculation agent hereunder unless and until a successor calculation agent is appointed by the Company. The Company shall appoint a bank, trust company, investment banking firm or other financial institution to act as the successor calculation agent to The Bank of New York Mellon Trust Company, N.A., or any of its successors in that capacity, in the event that: (i) any acting Calculation Agent is unable or unwilling to act as the calculation agent hereunder; (ii) any acting Calculation Agent fails to establish the floating interest rate for any Interest Period; or (iii) the Company proposes to remove the Calculation Agent.

The calculations of the Calculation Agent will, in the absence of manifest error, be conclusive for all purposes and binding on the Holders of the Notes.

"Business Day" shall mean any day which is not a day on which banking institutions in the City of New York or the relevant place of payment are authorized or required by law, regulation or executive order to close.

"London Business Day" means any day on which dealings in deposits in U.S. dollars are transacted in the London interbank market.

"Three-Month LIBOR Rate" means, with respect to any Interest Period, the London Interbank Offered Rate ("LIBOR") for deposits in U.S. dollars having a three-month maturity commencing on the second London Business Day immediately following the Interest Determination Date which appears on Reuters Page LIBOR01 (as defined below) as of 11:00 A.M., London time, on that Interest Determination Date for U.S. dollars. Except as otherwise provided in the immediately succeeding paragraph below, if on a particular Interest Determination Date, LIBOR for deposits in U.S. dollars having a three-month maturity commencing on the second London Business Day immediately following the Interest Determination Date does not appear on Reuters Page LIBOR01 at approximately 11:00 A.M., London time, or if Reuters Page LIBOR01 is not available on such date, LIBOR for the Interest Period commencing immediately after such Interest Determination Date will be the rate for deposits in U.S. dollar having a three-month maturity commencing on the second London Business Day immediately following the particular Interest Determination Date that appears on Bloomberg, L.P.'s page "BBAM" at 11:00 a.m., London time, on such Interest Determination Date. Except as otherwise provided in the immediately succeeding paragraph below, if the LIBOR rate for deposits in U.S. dollars having a three-month maturity cannot be determined by reference to Reuters Page LIBOR01 or Bloomberg, L.P.'s page "BBAM" on an Interest

Determination Date as described above, then the Calculation Agent will determine LIBOR as follows: (A) the Calculation Agent shall select the principal London offices of four major banks in the London interbank market and request each bank to provide its offered quotation for deposits in U.S. dollars having a three-month maturity commencing on the second London Business Day immediately following the Interest Determination Date, to prime banks in the London interbank market at approximately 11:00 A.M., London time, on the Interest Determination Date. Those quotes will be for deposits in U.S. dollars in a principal amount that is representative of a single transaction in U.S. dollars in the market at that time, but which principal amount shall be no less than \$1 million. If at least two of those banks provide a quotation, the Calculation Agent will compute LIBOR as, and LIBOR for the relevant Interest Period shall be, the arithmetic mean of the quotations provided; (B) if fewer than two of those banks provide a quotation, the Calculation Agent will request from three major banks in New York, New York at approximately 11:00 A.M., New York City time, on the Interest Determination Date, quotations for loans in U.S. dollars having a three-month term to leading European banks, commencing on the second London Business Day immediately following the Interest Determination Date. These quotes will be for loans in a principal amount that is representative of a single transaction in the market at that time, but which principal amount shall be no less than \$1 million. The Calculation Agent will compute LIBOR as, and LIBOR for the relevant Interest Period shall be, the arithmetic mean of the quotations provided; and (C) if none of the banks chosen by the Calculation Agent provides a quotation as discussed above, the rate of interest at which interest accrues on the Notes will be the interest rate in effect for the Notes for the then current Interest Period.

Notwithstanding the foregoing, if the Company or the Calculation Agent determines that LIBOR has been permanently discontinued, then the Calculation Agent will use, as a substitute for LIBOR and for each future interest determination date, the alternative reference rate (the "Alternative Rate") selected by the central bank, reserve bank, monetary authority or any similar institution (including any committee or working group thereof) that is consistent with accepted market practice. As part of such substitution, the Calculation Agent will, after consultation with the Company, make such adjustments ("Adjustments") to the Alternative Rate or the spread thereon, as well as the Business Day convention, interest determination dates and related provisions and definitions, in each case that are consistent with accepted market practice for the use of such Alternative Rate for debt obligations such as the Notes. If the Calculation Agent determines, following consultation with the Company, that there is no clear market consensus as to whether any rate has replaced LIBOR in customary market usage, (i) The Bank of New York Mellon Trust Company, N.A. shall have the right to resign as Calculation Agent in respect of the Notes and (ii) the Company will appoint, in its sole discretion, a new Calculation Agent to replace The Bank of New York Mellon Trust Company, N.A., solely in its role as Calculation Agent in respect of the Notes, to determine the Alternative Rate and make any Adjustments thereon, and whose determinations will be binding on the Company, the Trustee and the Holders. If, however, the Calculation Agent determines that LIBOR has been discontinued, but for any reason an Alternative Rate has not been determined, LIBOR will be equal to such rate on the interest determination date when LIBOR was last available on the Reuters Page LIBOR01, as determined by the Calculation Agent.

“Reuters Page LIBOR01” means the display appearing on the Thompson Reuters EIKON (or any successor service) designated as page “LIBOR01” (or any replacement page on that service or equivalent page on any successor service) and the term “BBAM” refers to the display appearing on Bloomberg L.P.’s Bloomberg Professional (or any successor service) designated as page “BBAM” (or any replacement page on that service or equivalent page on any successor service), in each case for the purpose of displaying London interbank offered rates administered by ICE Benchmark Administration Limited (or any other person assuming the responsibility for the administration of those rates).

The Calculation Agent’s determination of any interest rate and its calculation of the amount of interest for any Interest Period will be final and binding in the absence of manifest error.

The interest rate payable on the Notes shall not be higher than the maximum rate permitted by the laws of the State of New York, as the same may be modified by the federal laws of the United States of America.

The Calculation Agent shall promptly notify the Trustee of each determination of the interest rate applicable to the Notes, and of each Interest Period, the amount of interest expected to accrue for such Interest Period and the Interest Payment Date related to each Interest Period beginning with each Interest Reset Date, as soon as such information becomes available. The Calculation Agent shall make such information available to the Holder of this Note upon request.

Interest payments hereon will include the amount of interest accrued from and including the most recent Interest Payment Date to which interest has been paid to but excluding the applicable Interest Payment Date.

Unless otherwise specified herein, all percentages resulting from any calculation of the rate of interest on this Note will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upward (e.g., 4.526545% (or .04526545) will be rounded upward to 4.52655% (or .0452655)), and all U.S. dollar amounts used in or resulting from such calculation will be rounded to the nearest cent (with one-half cent being rounded upward).

3. *Ranking.* The Notes shall constitute the senior unsecured debt obligations of the Company and shall rank equally in right of payment among themselves and with all other existing and future senior unsecured debt obligations of the Company.

4. *Payment of Overdue Amounts.* The Company shall pay interest on overdue principal and overdue installments of interest, if any, from time to time, calculated on the basis of the actual days for which interest is overdue and a year of 360 days, giving effect to the actual payment date for such overdue principal and overdue installments of interest, on demand at the interest rate borne by the Notes to the extent lawful.

5. *Place and Method of Payment.* The Company shall pay principal of and interest on the Notes at the office or agency of the Paying Agent (as defined in Section 14 hereof) in the Borough of Manhattan, The City of New York; *provided, however*, that at the option of the Company, the Company may pay interest by check mailed to the person entitled thereto at such person’s address as it appears on the Registry for the Notes.

6. *Defeasance of the Notes.* Sections 11.02, 11.03 and 11.04 of the Indenture shall apply to the Notes.

7. *No Redemption or Sinking Fund.* The Notes are not redeemable and are not subject to a sinking fund.

8. *Amendment and Modification.* Article Nine of the Indenture contains provisions for the amendment or modification of the Indenture and the Notes without the consent of the Holders in certain circumstances and requiring the consent of Holders of not less than a majority in aggregate principal amount of the Notes and Securities of other Series that would be affected in certain other circumstances. However, the Indenture requires the consent of each Holder of the Notes and Securities of other Series that would be affected for certain specified amendments or modifications of the Indenture and the Notes. These provisions of the Indenture, which provide for, among other things, the execution of supplemental indentures, are applicable to the Notes.

9. *Event of Default; Acceleration of Maturity; Rescission and Annulment.* If an Event of Default with respect to the Notes shall occur and be continuing, then the aggregate principal amount of the Notes of this Series may be declared by either the Trustee or the Holders of not less than 25% in aggregate principal amount of the Notes of this Series then Outstanding to be, and, in certain cases, may automatically become, immediately due and payable in the manner, with the effect and subject to the conditions provided in the Indenture. The Indenture provides that, in the event of such an acceleration of the maturity of the Notes, the Holders of a majority in aggregate principal amount of all of the Notes of this Series then Outstanding, voting as a separate class, in accordance with the provisions of, and in the circumstances provided by, the Indenture, may rescind and annul such acceleration and its consequences with respect to all of the Notes.

10. *Absolute Obligation.* No reference herein to the Indenture and no provisions of the Notes or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the place, at the time and in the coin or currency herein prescribed.

11. *Form and Denominations; Global Note; Definitive Notes.* The Notes are being issued in registered form without interest coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The Notes are initially being issued in the form of one or more global notes (each, a “Global Note”), evidencing all or any portion of the Notes and registered in the name of The Depository Trust Company (the “Depository”) or its nominee (including their respective successors) as Depository under the Indenture. The Notes shall be issued in certificated form (each, a “Definitive Note”) only in the following limited circumstances: (1) the Depository is at any time unwilling or unable to continue as Depository or ceases to be a clearing agency registered under applicable law, and a successor depository is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility; (2) the Company delivers to the Trustee a Company Order to the effect that this Note shall be exchangeable for Definitive Notes; or (3) an Event of Default has occurred and is continuing with respect to the Notes, in each such case this Note shall be exchangeable for Definitive Notes in an equal aggregate principal amount. Such Definitive Notes shall be registered in such name or names as the Depository shall instruct the Trustee.

12. *Registration, Transfer and Exchange.* As provided in the Indenture and subject to certain limitations therein set forth, the Company shall provide for the registration of the Notes and the transfer and exchange of the Notes, whether in global or definitive form. At the option of the Holders, at the offices of the Registrar (as defined in Section 12 hereof), or at any of such other offices or agencies as may be designated and maintained by the Company for such purpose pursuant to the provisions of the Indenture, and in the manner and subject to the limitations provided in the Indenture, but without the payment of any service charge, except for any transfer tax or other governmental charges imposed in connection therewith, the Notes may be transferred or exchanged for an equal aggregate principal amount of the Notes of like tenor and of other authorized denominations upon surrender and cancellation of the Notes upon any such transfer.

The Company, the Trustee and any agent of the Company or of the Trustee may deem and treat the Holder as the absolute owner of this Note (whether or not the Notes shall be overdue and notwithstanding any notation of ownership or other writing hereon), for the purpose of receiving payments hereon, or on account hereof, and for all other purposes, and neither the Company nor the Trustee nor any agent of the Company or of the Trustee shall be affected by any notice to the contrary. All such payments made to or upon the order of such Holder shall, to the extent of the amount or amounts paid, effectually satisfy and discharge liability for moneys payable on this Note.

Notwithstanding the preceding paragraphs of this Section 12, any registration of transfer or exchange of a Global Note shall be subject to the terms of the legend appearing on the initial page thereof.

13. *No Recourse Against Others.* No recourse under or upon any obligation, covenant or agreement of the Company arising under or set forth in the Notes or under the Indenture, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment or penalty or otherwise, any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director, as such, being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

14. *Appointment of Agents.* The Bank of New York Mellon Trust Company, N. A. is hereby appointed (i) the registrar (the “Registrar”) for the purpose of registering the Notes and of effecting transfers and exchanges of the Notes pursuant to the Indenture and this Note; (ii) the Paying Agent pursuant to Section 3.04 of the Indenture (the “Paying Agent”); and (iii) as the calculation agent for the purposes of determining the Three-Month LIBOR Rate for each Interest Period and the amount of interest payable under this Note to the Holder with respect to each Interest Period.

15. *Notices.* If the Company is required to give notice to the Holders of the Notes pursuant to the terms of the Indenture, then it shall do so by the means and in the manner set forth in Section 1.06 of the Indenture.

16. *Separability*. In case any provision of the Indenture or the Notes shall, for any reason, be held to be invalid, illegal or unenforceable, then the validity, legality and enforceability of the remaining provisions thereof and hereof shall not in any way be affected or impaired thereby.

17. *GOVERNING LAW*. THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

The Interest Determination Date for the initial applicable interest rate on the Notes was June 25, 2018.

The interest rate determined on an Interest Determination Date for the Notes (a) shall become effective on and as of the next succeeding Interest Reset Date and (b) shall be the rate at which interest is payable on the Notes for the period from and including the Interest Reset Date on which that interest rate becomes effective to, but excluding, the succeeding Interest Reset Date or maturity, as applicable (each, an “Interest Period”).

The Bank of New York Mellon Trust Company, N.A. has initially been appointed in Section 14 to act as calculation agent (together with its successors in that capacity, the “Calculation Agent”) in connection with the Notes. The Calculation Agent shall serve as the calculation agent hereunder unless and until a successor calculation agent is appointed by the Company. The Company shall appoint a bank, trust company, investment banking firm or other financial institution to act as the successor calculation agent to The Bank of New York Mellon Trust Company, N.A., or any of its successors in that capacity, in the event that: (i) any acting Calculation Agent is unable or unwilling to act as the calculation agent hereunder; (ii) any acting Calculation Agent fails to establish the floating interest rate for any Interest Period; or (iii) the Company proposes to remove the Calculation Agent.

The calculations of the Calculation Agent will, in the absence of manifest error, be conclusive for all purposes and binding on the Holders of the Notes.

“Business Day” shall mean any day which is not a day on which banking institutions in the City of New York or the relevant place of payment are authorized or required by law, regulation or executive order to close.

“London Business Day” means any day on which dealings in deposits in U.S. dollars are transacted in the London interbank market.

“Three-Month LIBOR Rate” means, with respect to any Interest Period, the London Interbank Offered Rate (“LIBOR”) for deposits in U.S. dollars having a three-month maturity commencing on the second London Business Day immediately following the Interest Determination Date which appears on Reuters Page LIBOR01 (as defined below) as of 11:00 A.M., London time, on that Interest Determination Date for U.S. dollars. Except as otherwise provided in the immediately succeeding paragraph below, if on a particular Interest Determination Date, LIBOR for deposits in U.S. dollars having a three-month maturity commencing on the second London Business Day immediately following the Interest Determination Date does not appear on Reuters Page LIBOR01 at approximately 11:00 A.M., London time, or if Reuters Page LIBOR01 is not available on such date, LIBOR for the Interest Period commencing immediately after such Interest Determination Date will be the rate for deposits in U.S. dollar having a three-month maturity commencing on the second London Business Day immediately following the particular Interest Determination Date that appears on Bloomberg, L.P.’s page “BBAM” at 11:00 a.m., London time, on such Interest Determination Date. Except as otherwise provided in the immediately succeeding paragraph below, if the LIBOR rate for deposits in U.S. dollars having a three-month maturity cannot be determined by reference to Reuters Page LIBOR01 or Bloomberg, L.P.’s page “BBAM” on an Interest

Determination Date as described above, then the Calculation Agent will determine LIBOR as follows: (A) the Calculation Agent shall select the principal London offices of four major banks in the London interbank market and request each bank to provide its offered quotation for deposits in U.S. dollars having a three-month maturity commencing on the second London Business Day immediately following the Interest Determination Date, to prime banks in the London interbank market at approximately 11:00 A.M., London time, on the Interest Determination Date. Those quotes will be for deposits in U.S. dollars in a principal amount that is representative of a single transaction in U.S. dollars in the market at that time, but which principal amount shall be no less than \$1 million. If at least two of those banks provide a quotation, the Calculation Agent will compute LIBOR as, and LIBOR for the relevant Interest Period shall be, the arithmetic mean of the quotations provided; (B) if fewer than two of those banks provide a quotation, the Calculation Agent will request from three major banks in New York, New York at approximately 11:00 A.M., New York City time, on the Interest Determination Date, quotations for loans in U.S. dollars having a three-month term to leading European banks, commencing on the second London Business Day immediately following the Interest Determination Date. These quotes will be for loans in a principal amount that is representative of a single transaction in the market at that time, but which principal amount shall be no less than \$1 million. The Calculation Agent will compute LIBOR as, and LIBOR for the relevant Interest Period shall be, the arithmetic mean of the quotations provided; and (C) if none of the banks chosen by the Calculation Agent provides a quotation as discussed above, the rate of interest at which interest accrues on the Notes will be the interest rate in effect for the Notes for the then current Interest Period.

Notwithstanding the foregoing, if the Company or the Calculation Agent determines that LIBOR has been permanently discontinued, then the Calculation Agent will use, as a substitute for LIBOR and for each future interest determination date, the alternative reference rate (the "Alternative Rate") selected by the central bank, reserve bank, monetary authority or any similar institution (including any committee or working group thereof) that is consistent with accepted market practice. As part of such substitution, the Calculation Agent will, after consultation with the Company, make such adjustments ("Adjustments") to the Alternative Rate or the spread thereon, as well as the Business Day convention, interest determination dates and related provisions and definitions, in each case that are consistent with accepted market practice for the use of such Alternative Rate for debt obligations such as the Notes. If the Calculation Agent determines, following consultation with the Company, that there is no clear market consensus as to whether any rate has replaced LIBOR in customary market usage, (i) The Bank of New York Mellon Trust Company, N.A. shall have the right to resign as Calculation Agent in respect of the Notes and (ii) the Company will appoint, in its sole discretion, a new Calculation Agent to replace The Bank of New York Mellon Trust Company, N.A., solely in its role as Calculation Agent in respect of the Notes, to determine the Alternative Rate and make any Adjustments thereon, and whose determinations will be binding on the Company, the Trustee and the Holders. If, however, the Calculation Agent determines that LIBOR has been discontinued, but for any reason an Alternative Rate has not been determined, LIBOR will be equal to such rate on the interest determination date when LIBOR was last available on the Reuters Page LIBOR01, as determined by the Calculation Agent.

“Reuters Page LIBOR01” means the display appearing on the Thompson Reuters EIKON (or any successor service) designated as page “LIBOR01” (or any replacement page on that service or equivalent page on any successor service) and the term “BBAM” refers to the display appearing on Bloomberg L.P.’s Bloomberg Professional (or any successor service) designated as page “BBAM” (or any replacement page on that service or equivalent page on any successor service), in each case for the purpose of displaying London interbank offered rates administered by ICE Benchmark Administration Limited (or any other person assuming the responsibility for the administration of those rates).

The Calculation Agent’s determination of any interest rate and its calculation of the amount of interest for any Interest Period will be final and binding in the absence of manifest error.

The interest rate payable on the Notes shall not be higher than the maximum rate permitted by the laws of the State of New York, as the same may be modified by the federal laws of the United States of America.

The Calculation Agent shall promptly notify the Trustee of each determination of the interest rate applicable to the Notes, and of each Interest Period, the amount of interest expected to accrue for such Interest Period and the Interest Payment Date related to each Interest Period beginning with each Interest Reset Date, as soon as such information becomes available. The Calculation Agent shall make such information available to the Holder of this Note upon request.

Interest payments hereon will include the amount of interest accrued from and including the most recent Interest Payment Date to which interest has been paid to but excluding the applicable Interest Payment Date.

Unless otherwise specified herein, all percentages resulting from any calculation of the rate of interest on this Note will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upward (e.g., 4.526545% (or .04526545) will be rounded upward to 4.52655% (or .0452655)), and all U.S. dollar amounts used in or resulting from such calculation will be rounded to the nearest cent (with one-half cent being rounded upward).

3. *Ranking.* The Notes shall constitute the senior unsecured debt obligations of the Company and shall rank equally in right of payment among themselves and with all other existing and future senior unsecured debt obligations of the Company.

4. *Payment of Overdue Amounts.* The Company shall pay interest on overdue principal and overdue installments of interest, if any, from time to time, calculated on the basis of the actual days for which interest is overdue and a year of 360 days, giving effect to the actual payment date for such overdue principal and overdue installments of interest, on demand at the interest rate borne by the Notes to the extent lawful.

5. *Special Mandatory Redemption.* In May 2018, the Company and one of its subsidiaries entered into agreements (the “Flipkart Agreements”) with Flipkart Private Limited (“Flipkart”), the Singapore holding company of the Flipkart group, and certain shareholders of Flipkart (the “Flipkart Shareholders”), pursuant to which such subsidiary of the Company has agreed to acquire certain shares of Flipkart (the “Flipkart Acquisition”). If (i) the Flipkart Acquisition has

not been consummated on or prior to the June 7, 2019 (the “Outside Date”), (ii) the Flipkart Agreements are terminated on or prior to the Outside Date, or (iii) the Company otherwise publicly announces on or prior to the Outside Date that the Flipkart Acquisition will not be consummated, then the Company will be required to redeem all of the Notes on the Special Mandatory Redemption Date (as defined below) at a special mandatory redemption price equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (the “Special Mandatory Redemption Price”).

The “Special Mandatory Redemption Date” means the 20th day (or if such day is not a Business Day, the first Business Day thereafter) after the earliest to occur of (i) the Outside Date, if the Flipkart Acquisition has not been consummated on or prior thereto, (ii) the date of termination of the Flipkart Agreements, or (iii) the date of public announcement by the Company that the Flipkart Acquisition will not be consummated.

Notwithstanding the foregoing, installments of interest on the Notes that are due and payable on Interest Payment Dates falling on or prior to the Special Mandatory Redemption Date will be payable on such Interest Payment Dates to the registered Holders as of the close of business on the relevant Record Dates in accordance with the terms of the Notes and the Indenture.

The Company will cause the notice of special mandatory redemption pursuant to this Section 5 to be transmitted, with a copy to the Trustee, within five business days after the occurrence of the event triggering the special mandatory redemption pursuant to this Section 5 to each Holder at its registered address. If funds sufficient to pay the Special Mandatory Redemption Price of the outstanding Notes to be redeemed on the Special Mandatory Redemption Date are deposited with the Trustee on or before such Special Mandatory Redemption Date, and certain other conditions are satisfied, on and after such Special Mandatory Redemption Date, the outstanding Notes will cease to bear interest.

Upon the consummation of the Flipkart Acquisition (including under circumstances in which the Company acquires less than 77 percent of the share capital of Flipkart and/or the Flipkart Agreements are amended or otherwise modified), the foregoing provisions regarding the special mandatory redemption will cease to apply.

6. *Place and Method of Payment.* The Company shall pay principal of and interest on the Notes at the office or agency of the Paying Agent (as defined in Section 15 hereof) in the Borough of Manhattan, The City of New York; *provided, however*, that at the option of the Company, the Company may pay interest by check mailed to the person entitled thereto at such person’s address as it appears on the Registry for the Notes.

7. *Defeasance of the Notes.* Sections 11.02, 11.03 and 11.04 of the Indenture shall apply to the Notes.

8. *No Sinking Fund.* The Notes are not subject to a sinking fund.

9. *Amendment and Modification.* Article Nine of the Indenture contains provisions for the amendment or modification of the Indenture and the Notes without the consent of the Holders in certain circumstances and requiring the consent of Holders of not less than a majority in aggregate principal amount of the Notes and Securities of other Series that would be affected in certain other circumstances. However, the Indenture requires the consent of each Holder of the Notes and Securities of other Series that would be affected for certain specified amendments or modifications of the Indenture and the Notes. These provisions of the Indenture, which provide for, among other things, the execution of supplemental indentures, are applicable to the Notes.

10. *Event of Default; Acceleration of Maturity; Rescission and Annulment.* If an Event of Default with respect to the Notes shall occur and be continuing, then the aggregate principal amount of the Notes of this Series may be declared by either the Trustee or the Holders of not less than 25% in aggregate principal amount of the Notes of this Series then Outstanding to be, and, in certain cases, may automatically become, immediately due and payable in the manner, with the effect and subject to the conditions provided in the Indenture. The Indenture provides that, in the event of such an acceleration of the maturity of the Notes, the Holders of a majority in aggregate principal amount of all of the Notes of this Series then Outstanding, voting as a separate class, in accordance with the provisions of, and in the circumstances provided by, the Indenture, may rescind and annul such acceleration and its consequences with respect to all of the Notes.

11. *Absolute Obligation.* No reference herein to the Indenture and no provisions of the Notes or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the place, at the time and in the coin or currency herein prescribed.

12. *Form and Denominations; Global Note; Definitive Notes.* The Notes are being issued in registered form without interest coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The Notes are initially being issued in the form of one or more global notes (each, a “Global Note”), evidencing all or any portion of the Notes and registered in the name of The Depository Trust Company (the “Depository”) or its nominee (including their respective successors) as Depository under the Indenture. The Notes shall be issued in certificated form (each, a “Definitive Note”) only in the following limited circumstances: (1) the Depository is at any time unwilling or unable to continue as Depository or ceases to be a clearing agency registered under applicable law, and a successor depository is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility; (2) the Company delivers to the Trustee a Company Order to the effect that this Note shall be exchangeable for Definitive Notes; or (3) an Event of Default has occurred and is continuing with respect to the Notes, in each such case this Note shall be exchangeable for Definitive Notes in an equal aggregate principal amount. Such Definitive Notes shall be registered in such name or names as the Depository shall instruct the Trustee.

13. *Registration, Transfer and Exchange.* As provided in the Indenture and subject to certain limitations therein set forth, the Company shall provide for the registration of the Notes and the transfer and exchange of the Notes, whether in global or definitive form. At the option of the Holders, at the offices of the Registrar (as defined in Section 15 hereof), or at any of such other offices or agencies as may be designated and maintained by the Company for such purpose pursuant to the provisions of the Indenture, and in the manner and subject to the limitations provided in the Indenture, but without the payment of any service charge, except for any transfer

tax or other governmental charges imposed in connection therewith, the Notes may be transferred or exchanged for an equal aggregate principal amount of the Notes of like tenor and of other authorized denominations upon surrender and cancellation of the Notes upon any such transfer.

The Company, the Trustee and any agent of the Company or of the Trustee may deem and treat the Holder as the absolute owner of this Note (whether or not the Notes shall be overdue and notwithstanding any notation of ownership or other writing hereon), for the purpose of receiving payments hereon, or on account hereof, and for all other purposes, and neither the Company nor the Trustee nor any agent of the Company or of the Trustee shall be affected by any notice to the contrary. All such payments made to or upon the order of such Holder shall, to the extent of the amount or amounts paid, effectually satisfy and discharge liability for moneys payable on this Note.

Notwithstanding the preceding paragraphs of this Section 13, any registration of transfer or exchange of a Global Note shall be subject to the terms of the legend appearing on the initial page thereof.

14. *No Recourse Against Others.* No recourse under or upon any obligation, covenant or agreement of the Company arising under or set forth in the Notes or under the Indenture, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment or penalty or otherwise, any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director, as such, being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

15. *Appointment of Agents.* The Bank of New York Mellon Trust Company, N. A. is hereby appointed (i) the registrar (the “Registrar”) for the purpose of registering the Notes and of effecting transfers and exchanges of the Notes pursuant to the Indenture and this Note; (ii) the Paying Agent pursuant to Section 3.04 of the Indenture (the “Paying Agent”); and (iii) as the calculation agent for the purposes of determining the Three-Month LIBOR Rate for each Interest Period and the amount of interest payable under this Note to the Holder with respect to each Interest Period.

16. *Notices.* If the Company is required to give notice to the Holders of the Notes pursuant to the terms of the Indenture, then it shall do so by the means and in the manner set forth in Section 1.06 of the Indenture.

17. *Separability.* In case any provision of the Indenture or the Notes shall, for any reason, be held to be invalid, illegal or unenforceable, then the validity, legality and enforceability of the remaining provisions thereof and hereof shall not in any way be affected or impaired thereby.

18. *GOVERNING LAW.* THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

2.850% NOTES DUE 2020

1. *Indenture; Notes.* This Note is one of a duly authorized Series of Securities of the Company designated as the “2.850% Notes Due 2020” (the “Notes”), initially issued in an aggregate principal amount of \$1,250,000,000 on June 27, 2018. Such Series of Securities has been established pursuant to, and is one of an indefinite number of Series of debt securities of the Company, issued or issuable under and pursuant to, the Indenture, dated as of July 19, 2005, by and between the Company, as Issuer, and The Bank of New York Mellon Trust Company, N.A., as Trustee (the “Trustee”), as supplemented and amended by the First Supplemental Indenture, dated as of December 1, 2006, the Second Supplemental Indenture, dated as of December 19, 2014, and the Third Supplemental Indenture, dated as of June 26, 2018, in each case, by and between the Company, as Issuer, and the Trustee (the “Indenture”), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Company and the Holders of the Notes and of the terms upon which this Note is, and is to be, authenticated and delivered. The terms, conditions and provisions of the Notes are those stated in the Indenture, those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended, and those set forth in this Note. To the extent that the terms, conditions and other provisions of this Note modify, supplement or are inconsistent with those of the Indenture, then the terms, conditions and other provisions of this Note shall govern.

All capitalized terms which are used but not defined in this Note shall have the meanings assigned to them in the Indenture.

The Company may, without the consent of the Holders, create and issue additional Securities ranking equally with the Notes and otherwise identical in all respects (except for the public offering price, initial interest accrual date, initial Interest Payment Date, and the issue date) so that such additional Securities shall be consolidated and form a single Series with the Notes; *provided, however*, that any additional Securities that are not fungible with any then outstanding Notes for United States federal income tax purposes will be issued under CUSIP and ISIN numbers separate from the CUSIP and ISIN numbers of such outstanding Notes; and *provided, further*, that no additional Securities of any existing or new Series may be issued under the Indenture if an Event of Default has occurred and remains uncured thereunder.

2. *Ranking.* The Notes shall constitute the senior unsecured debt obligations of the Company and shall rank equally in right of payment among themselves and with all other existing and future senior unsecured debt obligations of the Company.

3. *Payment of Overdue Amounts.* The Company shall pay interest on overdue principal and overdue installments of interest, if any, from time to time, calculated on the basis of a 360-day year consisting of twelve 30-day months, giving effect to the actual payment date for such overdue principal and overdue installments of interest, on demand at the interest rate borne by the Notes to the extent lawful.

4. Redemption.

(a) *Make-Whole Redemption.* At any time prior to June 23, 2020, the Notes shall be redeemable, as a whole or in part, at the option of the Company, at a redemption price equal to the greater of:

- 100% of the principal amount of the Notes to be redeemed, plus any accrued and unpaid interest to, but excluding, the redemption date; and
- the sum of the present values of the Remaining Scheduled Payments (as defined below), plus any accrued and unpaid interest to, but excluding, the redemption date.

In determining the present value of the Remaining Scheduled Payments, the Company shall discount such payments to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) using a discount rate equal to the Applicable Treasury Rate plus five (5) basis points (i.e., 0.050%).

“Applicable Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue. In determining this rate, the Company shall assume a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

“Comparable Treasury Issue” means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing a new issue of corporate debt securities of comparable maturity to the remaining term of such Notes.

“Comparable Treasury Price” means, with respect to any redemption date, the arithmetic average, as determined by the Independent Investment Banker, of the Reference Treasury Dealer Quotations for such redemption date.

“Independent Investment Banker” means each of Barclays Capital Inc., Citigroup Global Markets Inc. and J.P. Morgan Securities LLC and their respective successors as may be appointed from time to time by the Company; provided, however, that if any of the foregoing shall cease to be a primary U.S. Government securities dealer (a “Primary Treasury Dealer”), the Company shall substitute therefor another Primary Treasury Dealer for such firm.

“Reference Treasury Dealer” means each of Barclays Capital Inc., Citigroup Global Markets Inc. and J.P. Morgan Securities LLC and their respective successors; provided, however, that if any of the foregoing shall cease to be a Primary Treasury Dealer, the Company shall substitute therefor another Primary Treasury Dealer for such firm.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the arithmetic average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker by such Reference Treasury Dealer by 5:00 p.m., New York City time, on the third business day preceding such redemption date.

“Remaining Scheduled Payments” means, with respect to the Notes, the remaining scheduled payments of the principal thereof to be redeemed and interest thereon that would be due after the related redemption date but for such redemption; provided, however, that, if such redemption date is not an interest payment date with respect to such Note, the amount of the next scheduled interest payment thereon will be reduced by the amount of interest accrued thereon to such redemption date.

(b) *Redemption Procedures.* Any Notes to be redeemed by the Company shall be redeemed in accordance with the provisions of Article Four of the Indenture, including, without limitation, the requirement that any notice of redemption must be mailed to each registered holder of the Notes being redeemed at least 10 days but not more than 60 days prior to the redemption date. Notwithstanding the foregoing, the calculation of the redemption price for any Notes pursuant to Section 4(a) above and any accrued and unpaid interest payable upon the redemption of such Notes shall be made by the Company or on behalf of the Company by a Person designated by the Company. Such calculation shall not be the duty or obligation of the Trustee unless otherwise agreed by the Company and the Trustee.

5. *Place and Method of Payment.* The Company shall pay principal of and interest on the Notes at the office or agency of the Paying Agent (as defined in Section 14 hereof) in the Borough of Manhattan, The City of New York; *provided, however*, that at the option of the Company, the Company may pay interest by check mailed to the person entitled thereto at such person’s address as it appears on the Registry for the Notes.

6. *Defeasance of the Notes.* Sections 11.02, 11.03 and 11.04 of the Indenture shall apply to the Notes.

7. *No Sinking Fund.* The Notes are not subject to a sinking fund.

8. *Amendment and Modification.* Article Nine of the Indenture contains provisions for the amendment or modification of the Indenture and the Notes without the consent of the Holders in certain circumstances and requiring the consent of Holders of not less than a majority in aggregate principal amount of the Notes and Securities of other Series that would be affected in certain other circumstances. However, the Indenture requires the consent of each Holder of the Notes and Securities of other Series that would be affected for certain specified amendments or modifications of the Indenture and the Notes. These provisions of the Indenture, which provide for, among other things, the execution of supplemental indentures, are applicable to the Notes.

9. *Event of Default; Acceleration of Maturity; Rescission and Annulment.* If an Event of Default with respect to the Notes shall occur and be continuing, then the aggregate principal amount of the Notes of this Series may be declared by either the Trustee or the Holders of not less than 25% in aggregate principal amount of the Notes of this Series then Outstanding to be, and, in certain cases, may automatically become, immediately due and payable in the manner, with the effect and subject to the conditions provided in the Indenture. The Indenture provides that, in the event of such an acceleration of the maturity of the Notes, the Holders of a majority

in aggregate principal amount of all of the Notes of this Series then Outstanding, voting as a separate class, in accordance with the provisions of, and in the circumstances provided by, the Indenture, may rescind and annul such acceleration and its consequences with respect to all of the Notes.

10. *Absolute Obligation.* No reference herein to the Indenture and no provisions of the Notes or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the place, at the time and in the coin or currency herein prescribed.

11. *Form and Denominations; Global Note; Definitive Notes.* The Notes are being issued in registered form without interest coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The Notes are initially being issued in the form of one or more global notes (each, a “Global Note”), evidencing all or any portion of the Notes and registered in the name of The Depository Trust Company (the “Depository”) or its nominee (including their respective successors) as Depository under the Indenture. The Notes shall be issued in certificated form (each, a “Definitive Note”) only in the following limited circumstances: (1) the Depository is at any time unwilling or unable to continue as Depository or ceases to be a clearing agency registered under applicable law, and a successor depository is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility; (2) the Company delivers to the Trustee a Company Order to the effect that this Note shall be exchangeable for Definitive Notes; or (3) an Event of Default has occurred and is continuing with respect to the Notes, in each such case this Note shall be exchangeable for Definitive Notes in an equal aggregate principal amount. Such Definitive Notes shall be registered in such name or names as the Depository shall instruct the Trustee.

12. *Registration, Transfer and Exchange.* As provided in the Indenture and subject to certain limitations therein set forth, the Company shall provide for the registration of the Notes and the transfer and exchange of the Notes, whether in global or definitive form. At the option of the Holders, at the offices of the Registrar (as defined in Section 14 hereof), or at any of such other offices or agencies as may be designated and maintained by the Company for such purpose pursuant to the provisions of the Indenture, and in the manner and subject to the limitations provided in the Indenture, but without the payment of any service charge, except for any transfer tax or other governmental charges imposed in connection therewith, the Notes may be transferred or exchanged for an equal aggregate principal amount of the Notes of like tenor and of other authorized denominations upon surrender and cancellation of the Notes upon any such transfer.

The Company, the Trustee and any agent of the Company or of the Trustee may deem and treat the Holder as the absolute owner of this Note (whether or not the Notes shall be overdue and notwithstanding any notation of ownership or other writing hereon), for the purpose of receiving payments hereon, or on account hereof, and for all other purposes, and neither the Company nor the Trustee nor any agent of the Company or of the Trustee shall be affected by any notice to the contrary. All such payments made to or upon the order of such Holder shall, to the extent of the amount or amounts paid, effectually satisfy and discharge liability for moneys payable on this Note.

Notwithstanding the preceding paragraphs of this Section 12, any registration of transfer or exchange of a Global Note shall be subject to the terms of the legend appearing on the initial page thereof.

13. *No Recourse Against Others.* No recourse under or upon any obligation, covenant or agreement of the Company arising under or set forth in the Notes or under the Indenture, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment or penalty or otherwise, any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director, as such, being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

14. *Appointment of Agents.* The Bank of New York Mellon Trust Company, N. A. is hereby appointed (i) the registrar (the “Registrar”) for the purpose of registering the Notes and of effecting transfers and exchanges of the Notes pursuant to the Indenture and this Note and (ii) the Paying Agent pursuant to Section 3.04 of the Indenture (the “Paying Agent”).

15. *Notices.* If the Company is required to give notice to the Holders of the Notes pursuant to the terms of the Indenture, then it shall do so by the means and in the manner set forth in Section 1.06 of the Indenture.

16. *Separability.* In case any provision of the Indenture or the Notes shall, for any reason, be held to be invalid, illegal or unenforceable, then the validity, legality and enforceability of the remaining provisions thereof and hereof shall not in any way be affected or impaired thereby.

17. *GOVERNING LAW.* THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

3.125% NOTES DUE 2021

1. *Indenture; Notes.* This Note is one of a duly authorized Series of Securities of the Company designated as the “3.125% Notes Due 2021” (the “Notes”), initially issued in an aggregate principal amount of \$1,750,000,000 on June 27, 2018. Such Series of Securities has been established pursuant to, and is one of an indefinite number of Series of debt securities of the Company, issued or issuable under and pursuant to, the Indenture, dated as of July 19, 2005, by and between the Company, as Issuer, and The Bank of New York Mellon Trust Company, N.A., as Trustee (the “Trustee”), as supplemented and amended by the First Supplemental Indenture, dated as of December 1, 2006, the Second Supplemental Indenture, dated as of December 19, 2014, and the Third Supplemental Indenture, dated as of June 26, 2018, in each case, by and between the Company, as Issuer, and the Trustee (the “Indenture”), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Company and the Holders of the Notes and of the terms upon which this Note is, and is to be, authenticated and delivered. The terms, conditions and provisions of the Notes are those stated in the Indenture, those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended, and those set forth in this Note. To the extent that the terms, conditions and other provisions of this Note modify, supplement or are inconsistent with those of the Indenture, then the terms, conditions and other provisions of this Note shall govern.

All capitalized terms which are used but not defined in this Note shall have the meanings assigned to them in the Indenture.

The Company may, without the consent of the Holders, create and issue additional Securities ranking equally with the Notes and otherwise identical in all respects (except for the public offering price, initial interest accrual date, initial Interest Payment Date, and the issue date) so that such additional Securities shall be consolidated and form a single Series with the Notes; *provided, however*, that any additional Securities that are not fungible with any then outstanding Notes for United States federal income tax purposes will be issued under CUSIP and ISIN numbers separate from the CUSIP and ISIN numbers of such outstanding Notes; and *provided, further*, that no additional Securities of any existing or new Series may be issued under the Indenture if an Event of Default has occurred and remains uncured thereunder.

2. *Ranking.* The Notes shall constitute the senior unsecured debt obligations of the Company and shall rank equally in right of payment among themselves and with all other existing and future senior unsecured debt obligations of the Company.

3. *Payment of Overdue Amounts.* The Company shall pay interest on overdue principal and overdue installments of interest, if any, from time to time, calculated on the basis of a 360-day year consisting of twelve 30-day months, giving effect to the actual payment date for such overdue principal and overdue installments of interest, on demand at the interest rate borne by the Notes to the extent lawful.

4. Redemption.

(a) *Make-Whole Redemption.* At any time prior to June 23, 2021, the Notes shall be redeemable, as a whole or in part, at the option of the Company, at a redemption price equal to the greater of:

- 100% of the principal amount of the Notes to be redeemed, plus any accrued and unpaid interest to, but excluding, the redemption date; and
- the sum of the present values of the Remaining Scheduled Payments (as defined below), plus any accrued and unpaid interest to, but excluding, the redemption date.

In determining the present value of the Remaining Scheduled Payments, the Company shall discount such payments to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) using a discount rate equal to the Applicable Treasury Rate plus ten (10) basis points (i.e., 0.100%).

“Applicable Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue. In determining this rate, the Company shall assume a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

“Comparable Treasury Issue” means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing a new issue of corporate debt securities of comparable maturity to the remaining term of such Notes.

“Comparable Treasury Price” means, with respect to any redemption date, the arithmetic average, as determined by the Independent Investment Banker, of the Reference Treasury Dealer Quotations for such redemption date.

“Independent Investment Banker” means each of Barclays Capital Inc., Citigroup Global Markets Inc. and J.P. Morgan Securities LLC and their respective successors as may be appointed from time to time by the Company; provided, however, that if any of the foregoing shall cease to be a primary U.S. Government securities dealer (a “Primary Treasury Dealer”), the Company shall substitute therefor another Primary Treasury Dealer for such firm.

“Reference Treasury Dealer” means each of Barclays Capital Inc., Citigroup Global Markets Inc. and J.P. Morgan Securities LLC and their respective successors; provided, however, that if any of the foregoing shall cease to be a Primary Treasury Dealer, the Company shall substitute therefor another Primary Treasury Dealer for such firm.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the arithmetic average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker by such Reference Treasury Dealer by 5:00 p.m., New York City time, on the third business day preceding such redemption date.

“Remaining Scheduled Payments” means, with respect to the Notes, the remaining scheduled payments of the principal thereof to be redeemed and interest thereon that would be due after the related redemption date but for such redemption; provided, however, that, if such redemption date is not an interest payment date with respect to such Note, the amount of the next scheduled interest payment thereon will be reduced by the amount of interest accrued thereon to such redemption date.

(b) *Redemption Procedures.* Any Notes to be redeemed by the Company shall be redeemed in accordance with the provisions of Article Four of the Indenture, including, without limitation, the requirement that any notice of redemption must be mailed to each registered holder of the Notes being redeemed at least 10 days but not more than 60 days prior to the redemption date. Notwithstanding the foregoing, the calculation of the redemption price for any Notes pursuant to Section 4(a) above and any accrued and unpaid interest payable upon the redemption of such Notes shall be made by the Company or on behalf of the Company by a Person designated by the Company. Such calculation shall not be the duty or obligation of the Trustee unless otherwise agreed by the Company and the Trustee.

(c) *Special Mandatory Redemption.* In May 2018, the Company and one of its subsidiaries entered into agreements (the “Flipkart Agreements”) with Flipkart Private Limited (“Flipkart”), the Singapore holding company of the Flipkart group, and certain shareholders of Flipkart (the “Flipkart Shareholders”), pursuant to which such subsidiary of the Company has agreed to acquire certain shares of Flipkart (the “Flipkart Acquisition”). If (i) the Flipkart Acquisition has not been consummated on or prior to the June 7, 2019 (the “Outside Date”), (ii) the Flipkart Agreements are terminated on or prior to the Outside Date, or (iii) the Company otherwise publicly announces on or prior to the Outside Date that the Flipkart Acquisition will not be consummated, then the Company will be required to redeem all of the Notes on the Special Mandatory Redemption Date (as defined below) at a special mandatory redemption price equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (the “Special Mandatory Redemption Price”).

The “Special Mandatory Redemption Date” means the 20th day (or if such day is not a Business Day, the first Business Day thereafter) after the earliest to occur of (i) the Outside Date, if the Flipkart Acquisition has not been consummated on or prior thereto, (ii) the date of termination of the Flipkart Agreements, or (iii) the date of public announcement by the Company that the Flipkart Acquisition will not be consummated.

Notwithstanding the foregoing, installments of interest on the Notes that are due and payable on Interest Payment Dates falling on or prior to the Special Mandatory Redemption Date will be payable on such Interest Payment Dates to the registered Holders as of the close of business on the relevant Record Dates in accordance with the terms of the Notes and the Indenture.

The Company will cause the notice of special mandatory redemption pursuant to this Section 5 to be transmitted, with a copy to the Trustee, within five business days after the occurrence of the event triggering the special mandatory redemption pursuant to this Section 5 to each Holder at its registered address. If funds sufficient to pay the Special Mandatory Redemption Price of the outstanding Notes to be redeemed on the Special Mandatory Redemption Date are deposited with the Trustee on or before such Special Mandatory Redemption Date, and certain other conditions are satisfied, on and after such Special Mandatory Redemption Date, the outstanding Notes will cease to bear interest.

Upon the consummation of the Flipkart Acquisition (including under circumstances in which the Company acquires less than 77 percent of the share capital of Flipkart and/or the Flipkart Agreements are amended or otherwise modified), the foregoing provisions regarding the special mandatory redemption will cease to apply.

5. *Place and Method of Payment.* The Company shall pay principal of and interest on the Notes at the office or agency of the Paying Agent (as defined in Section 14 hereof) in the Borough of Manhattan, The City of New York; *provided, however*, that at the option of the Company, the Company may pay interest by check mailed to the person entitled thereto at such person's address as it appears on the Registry for the Notes.

6. *Defeasance of the Notes.* Sections 11.02, 11.03 and 11.04 of the Indenture shall apply to the Notes.

7. *No Sinking Fund.* The Notes are not subject to a sinking fund.

8. *Amendment and Modification.* Article Nine of the Indenture contains provisions for the amendment or modification of the Indenture and the Notes without the consent of the Holders in certain circumstances and requiring the consent of Holders of not less than a majority in aggregate principal amount of the Notes and Securities of other Series that would be affected in certain other circumstances. However, the Indenture requires the consent of each Holder of the Notes and Securities of other Series that would be affected for certain specified amendments or modifications of the Indenture and the Notes. These provisions of the Indenture, which provide for, among other things, the execution of supplemental indentures, are applicable to the Notes.

9. *Event of Default; Acceleration of Maturity; Rescission and Annulment.* If an Event of Default with respect to the Notes shall occur and be continuing, then the aggregate principal amount of the Notes of this Series may be declared by either the Trustee or the Holders of not less than 25% in aggregate principal amount of the Notes of this Series then Outstanding to be, and, in certain cases, may automatically become, immediately due and payable in the manner, with the effect and subject to the conditions provided in the Indenture. The Indenture provides that, in the event of such an acceleration of the maturity of the Notes, the Holders of a majority in aggregate principal amount of all of the Notes of this Series then Outstanding, voting as a separate class, in accordance with the provisions of, and in the circumstances provided by, the Indenture, may rescind and annul such acceleration and its consequences with respect to all of the Notes.

10. *Absolute Obligation.* No reference herein to the Indenture and no provisions of the Notes or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the place, at the time and in the coin or currency herein prescribed.

11. *Form and Denominations; Global Note; Definitive Notes.* The Notes are being issued in registered form without interest coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The Notes are initially being issued in the form of one or more global notes (each, a “Global Note”), evidencing all or any portion of the Notes and registered in the name of The Depository Trust Company (the “Depository”) or its nominee (including their respective successors) as Depository under the Indenture. The Notes shall be issued in certificated form (each, a “Definitive Note”) only in the following limited circumstances: (1) the Depository is at any time unwilling or unable to continue as Depository or ceases to be a clearing agency registered under applicable law, and a successor depository is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility; (2) the Company delivers to the Trustee a Company Order to the effect that this Note shall be exchangeable for Definitive Notes; or (3) an Event of Default has occurred and is continuing with respect to the Notes, in each such case this Note shall be exchangeable for Definitive Notes in an equal aggregate principal amount. Such Definitive Notes shall be registered in such name or names as the Depository shall instruct the Trustee.

12. *Registration, Transfer and Exchange.* As provided in the Indenture and subject to certain limitations therein set forth, the Company shall provide for the registration of the Notes and the transfer and exchange of the Notes, whether in global or definitive form. At the option of the Holders, at the offices of the Registrar (as defined in Section 14 hereof), or at any of such other offices or agencies as may be designated and maintained by the Company for such purpose pursuant to the provisions of the Indenture, and in the manner and subject to the limitations provided in the Indenture, but without the payment of any service charge, except for any transfer tax or other governmental charges imposed in connection therewith, the Notes may be transferred or exchanged for an equal aggregate principal amount of the Notes of like tenor and of other authorized denominations upon surrender and cancellation of the Notes upon any such transfer.

The Company, the Trustee and any agent of the Company or of the Trustee may deem and treat the Holder as the absolute owner of this Note (whether or not the Notes shall be overdue and notwithstanding any notation of ownership or other writing hereon), for the purpose of receiving payments hereon, or on account hereof, and for all other purposes, and neither the Company nor the Trustee nor any agent of the Company or of the Trustee shall be affected by any notice to the contrary. All such payments made to or upon the order of such Holder shall, to the extent of the amount or amounts paid, effectually satisfy and discharge liability for moneys payable on this Note.

Notwithstanding the preceding paragraphs of this Section 12, any registration of transfer or exchange of a Global Note shall be subject to the terms of the legend appearing on the initial page thereof.

13. *No Recourse Against Others.* No recourse under or upon any obligation, covenant or agreement of the Company arising under or set forth in the Notes or under the Indenture, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment or penalty or otherwise, any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director, as such, being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

14. *Appointment of Agents.* The Bank of New York Mellon Trust Company, N. A. is hereby appointed (i) the registrar (the “Registrar”) for the purpose of registering the Notes and of effecting transfers and exchanges of the Notes pursuant to the Indenture and this Note and (ii) the Paying Agent pursuant to Section 3.04 of the Indenture (the “Paying Agent”).

15. *Notices.* If the Company is required to give notice to the Holders of the Notes pursuant to the terms of the Indenture, then it shall do so by the means and in the manner set forth in Section 1.06 of the Indenture.

16. *Separability.* In case any provision of the Indenture or the Notes shall, for any reason, be held to be invalid, illegal or unenforceable, then the validity, legality and enforceability of the remaining provisions thereof and hereof shall not in any way be affected or impaired thereby.

17. *GOVERNING LAW.* THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

To the extent that the terms, conditions and other provisions of this Note modify, supplement or are inconsistent with those of the Indenture, then the terms, conditions and other provisions of this Note shall govern.

All capitalized terms which are used but not defined in this Note shall have the meanings assigned to them in the Indenture.

The Company may, without the consent of the Holders, create and issue additional Securities ranking equally with the Notes and otherwise identical in all respects (except for the public offering price, initial interest accrual date, initial Interest Payment Date, and the issue date) so that such additional Securities shall be consolidated and form a single Series with the Notes; *provided, however*, that any additional Securities that are not fungible with any then outstanding Notes for United States federal income tax purposes will be issued under CUSIP and ISIN numbers separate from the CUSIP and ISIN numbers of such outstanding Notes; and *provided, further*, that no additional Securities of any existing or new Series may be issued under the Indenture if an Event of Default has occurred and remains uncured thereunder.

2. *Ranking.* The Notes shall constitute the senior unsecured debt obligations of the Company and shall rank equally in right of payment among themselves and with all other existing and future senior unsecured debt obligations of the Company.

3. *Payment of Overdue Amounts.* The Company shall pay interest on overdue principal and overdue installments of interest, if any, from time to time, calculated on the basis of a 360-day year consisting of twelve 30-day months, giving effect to the actual payment date for such overdue principal and overdue installments of interest, on demand at the interest rate borne by the Notes to the extent lawful.

4. Redemption.

(a) *Make-Whole Redemption.* At any time prior to May 26, 2023, the Notes shall be redeemable, as a whole or in part, at the option of the Company, at a redemption price equal to the greater of:

- 100% of the principal amount of the Notes to be redeemed, plus any accrued and unpaid interest to, but excluding, the redemption date; and
- the sum of the present values of the Remaining Scheduled Payments (as defined below), plus any accrued and unpaid interest to, but excluding, the redemption date.

In determining the present value of the Remaining Scheduled Payments, the Company shall discount such payments to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) using a discount rate equal to the Applicable Treasury Rate plus ten (10) basis points (i.e., 0.100%).

“Applicable Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue. In determining this rate, the Company shall assume a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

“Comparable Treasury Issue” means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing a new issue of corporate debt securities of comparable maturity to the remaining term of such Notes.

“Comparable Treasury Price” means, with respect to any redemption date, the arithmetic average, as determined by the Independent Investment Banker, of the Reference Treasury Dealer Quotations for such redemption date.

“Independent Investment Banker” means each of Barclays Capital Inc., Citigroup Global Markets Inc. and J.P. Morgan Securities LLC and their respective successors as may be appointed from time to time by the Company; provided, however, that if any of the foregoing shall cease to be a primary U.S. Government securities dealer (a “Primary Treasury Dealer”), the Company shall substitute therefor another Primary Treasury Dealer for such firm.

“Reference Treasury Dealer” means each of Barclays Capital Inc., Citigroup Global Markets Inc. and J.P. Morgan Securities LLC and their respective successors; provided, however, that if any of the foregoing shall cease to be a Primary Treasury Dealer, the Company shall substitute therefor another Primary Treasury Dealer for such firm.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the arithmetic average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker by such Reference Treasury Dealer by 5:00 p.m., New York City time, on the third business day preceding such redemption date.

“Remaining Scheduled Payments” means, with respect to the Notes, the remaining scheduled payments of the principal thereof to be redeemed and interest thereon that would be due after the related redemption date but for such redemption; provided, however, that, if such redemption date is not an interest payment date with respect to such Note, the amount of the next scheduled interest payment thereon will be reduced by the amount of interest accrued thereon to such redemption date.

(b) *Other Redemption Right.* The Company may also redeem the Notes, at its option, as a whole or in part, at any time on or after May 26, 2023, at a redemption price equal to 100% of the principal amount of the Notes being redeemed, plus any accrued and unpaid interest to, but excluding, the redemption date.

(c) *Redemption Procedures.* Any Notes to be redeemed by the Company shall be redeemed in accordance with the provisions of Article Four of the Indenture, including, without limitation, the requirement that any notice of redemption must be mailed to each registered holder of the Notes being redeemed at least 10 days but not more than 60 days prior to the redemption date. Notwithstanding the foregoing, the calculation of the redemption price for any Notes pursuant to Section 4(a) or Section 4(b) above and any accrued and unpaid interest payable upon the redemption of such Notes shall be made by the Company or on behalf of the Company by a Person designated by the Company. Such calculation shall not be the duty or obligation of the Trustee unless otherwise agreed by the Company and the Trustee.

(d) *Special Mandatory Redemption.* In May 2018, the Company and one of its subsidiaries entered into agreements (the “Flipkart Agreements”) with Flipkart Private Limited (“Flipkart”), the Singapore holding company of the Flipkart group, and certain shareholders of Flipkart (the “Flipkart Shareholders”), pursuant to which such subsidiary of the Company has agreed to acquire certain shares of Flipkart (the “Flipkart Acquisition”). If (i) the Flipkart Acquisition has not been consummated on or prior to the June 7, 2019 (the “Outside Date”), (ii) the Flipkart Agreements are terminated on or prior to the Outside Date, or (iii) the Company otherwise publicly announces on or prior to the Outside Date that the Flipkart Acquisition will not be consummated, then the Company will be required to redeem all of the Notes on the Special Mandatory Redemption Date (as defined below) at a special mandatory redemption price equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (the “Special Mandatory Redemption Price”).

The “Special Mandatory Redemption Date” means the 20th day (or if such day is not a Business Day, the first Business Day thereafter) after the earliest to occur of (i) the Outside Date, if the Flipkart Acquisition has not been consummated on or prior thereto, (ii) the date of termination of the Flipkart Agreements, or (iii) the date of public announcement by the Company that the Flipkart Acquisition will not be consummated.

Notwithstanding the foregoing, installments of interest on the Notes that are due and payable on Interest Payment Dates falling on or prior to the Special Mandatory Redemption Date will be payable on such Interest Payment Dates to the registered Holders as of the close of business on the relevant Record Dates in accordance with the terms of the Notes and the Indenture.

The Company will cause the notice of special mandatory redemption pursuant to this Section 5 to be transmitted, with a copy to the Trustee, within five business days after the occurrence of the event triggering the special mandatory redemption pursuant to this Section 5 to each Holder at its registered address. If funds sufficient to pay the Special Mandatory Redemption Price of the outstanding Notes to be redeemed on the Special Mandatory Redemption Date are deposited with the Trustee on or before such Special Mandatory Redemption Date, and certain other conditions are satisfied, on and after such Special Mandatory Redemption Date, the outstanding Notes will cease to bear interest.

Upon the consummation of the Flipkart Acquisition (including under circumstances in which the Company acquires less than 77 percent of the share capital of Flipkart and/or the Flipkart Agreements are amended or otherwise modified), the foregoing provisions regarding the special mandatory redemption will cease to apply.

5. *Place and Method of Payment.* The Company shall pay principal of and interest on the Notes at the office or agency of the Paying Agent (as defined in Section 14 hereof) in the Borough of Manhattan, The City of New York; *provided, however*, that at the option of the Company, the Company may pay interest by check mailed to the person entitled thereto at such person's address as it appears on the Registry for the Notes.

6. *Defeasance of the Notes.* Sections 11.02, 11.03 and 11.04 of the Indenture shall apply to the Notes.

7. *No Sinking Fund.* The Notes are not subject to a sinking fund.

8. *Amendment and Modification.* Article Nine of the Indenture contains provisions for the amendment or modification of the Indenture and the Notes without the consent of the Holders in certain circumstances and requiring the consent of Holders of not less than a majority in aggregate principal amount of the Notes and Securities of other Series that would be affected in certain other circumstances. However, the Indenture requires the consent of each Holder of the Notes and Securities of other Series that would be affected for certain specified amendments or modifications of the Indenture and the Notes. These provisions of the Indenture, which provide for, among other things, the execution of supplemental indentures, are applicable to the Notes.

9. *Event of Default; Acceleration of Maturity; Rescission and Annulment.* If an Event of Default with respect to the Notes shall occur and be continuing, then the aggregate principal amount of the Notes of this Series may be declared by either the Trustee or the Holders of not less than 25% in aggregate principal amount of the Notes of this Series then Outstanding to be, and, in certain cases, may automatically become, immediately due and payable in the manner, with the effect and subject to the conditions provided in the Indenture. The Indenture provides that, in the event of such an acceleration of the maturity of the Notes, the Holders of a majority in aggregate principal amount of all of the Notes of this Series then Outstanding, voting as a separate class, in accordance with the provisions of, and in the circumstances provided by, the Indenture, may rescind and annul such acceleration and its consequences with respect to all of the Notes.

10. *Absolute Obligation.* No reference herein to the Indenture and no provisions of the Notes or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the place, at the time and in the coin or currency herein prescribed.

11. *Form and Denominations; Global Note; Definitive Notes.* The Notes are being issued in registered form without interest coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The Notes are initially being issued in the form of one or more global notes (each, a “Global Note”), evidencing all or any portion of the Notes and registered in the name of The Depository Trust Company (the “Depository”) or its nominee (including their respective successors) as Depository under the Indenture. The Notes shall be issued in certificated form (each, a “Definitive Note”) only in the following limited circumstances: (1) the Depository is at any time unwilling or unable to continue as Depository or ceases to be a clearing agency registered under applicable law, and a successor depository is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility; (2) the Company delivers to the Trustee a Company Order to the effect that this Note shall be exchangeable for Definitive Notes; or (3) an Event of Default has occurred and is continuing with respect to the Notes, in each such case this Note shall be exchangeable for Definitive Notes in an equal aggregate principal amount. Such Definitive Notes shall be registered in such name or names as the Depository shall instruct the Trustee.

12. *Registration, Transfer and Exchange.* As provided in the Indenture and subject to certain limitations therein set forth, the Company shall provide for the registration of the Notes and the transfer and exchange of the Notes, whether in global or definitive form. At the option of the Holders, at the offices of the Registrar (as defined in Section 14 hereof), or at any of such other offices or agencies as may be designated and maintained by the Company for such purpose pursuant to the provisions of the Indenture, and in the manner and subject to the limitations provided in the Indenture, but without the payment of any service charge, except for any transfer tax or other governmental charges imposed in connection therewith, the Notes may be transferred or exchanged for an equal aggregate principal amount of the Notes of like tenor and of other authorized denominations upon surrender and cancellation of the Notes upon any such transfer.

The Company, the Trustee and any agent of the Company or of the Trustee may deem and treat the Holder as the absolute owner of this Note (whether or not the Notes shall be overdue and notwithstanding any notation of ownership or other writing hereon), for the purpose of receiving payments hereon, or on account hereof, and for all other purposes, and neither the Company nor the Trustee nor any agent of the Company or of the Trustee shall be affected by any notice to the contrary. All such payments made to or upon the order of such Holder shall, to the extent of the amount or amounts paid, effectually satisfy and discharge liability for moneys payable on this Note.

Notwithstanding the preceding paragraphs of this Section 12, any registration of transfer or exchange of a Global Note shall be subject to the terms of the legend appearing on the initial page thereof.

13. *No Recourse Against Others.* No recourse under or upon any obligation, covenant or agreement of the Company arising under or set forth in the Notes or under the Indenture, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment or penalty or otherwise, any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director, as such, being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

14. *Appointment of Agents.* The Bank of New York Mellon Trust Company, N. A. is hereby appointed (i) the registrar (the “Registrar”) for the purpose of registering the Notes and of effecting transfers and exchanges of the Notes pursuant to the Indenture and this Note and (ii) the Paying Agent pursuant to Section 3.04 of the Indenture (the “Paying Agent”).

15. *Notices.* If the Company is required to give notice to the Holders of the Notes pursuant to the terms of the Indenture, then it shall do so by the means and in the manner set forth in Section 1.06 of the Indenture.

16. *Separability.* In case any provision of the Indenture or the Notes shall, for any reason, be held to be invalid, illegal or unenforceable, then the validity, legality and enforceability of the remaining provisions thereof and hereof shall not in any way be affected or impaired thereby.

17. *GOVERNING LAW.* THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

WALMART INC.

3.550% NOTES DUE 2025

1. *Indenture; Notes.* This Note is one of a duly authorized Series of Securities of the Company designated as the “3.550% Notes Due 2025” (the “Notes”), initially issued in an aggregate principal amount of \$1,500,000,000 on June 27, 2018. Such Series of Securities has been established pursuant to, and is one of an indefinite number of Series of debt securities of the Company, issued or issuable under and pursuant to, the Indenture, dated as of July 19, 2005, by and between the Company, as Issuer, and The Bank of New York Mellon Trust Company, N.A., as Trustee (the “Trustee”), as supplemented and amended by the First Supplemental Indenture, dated as of December 1, 2006, the Second Supplemental Indenture, dated as of December 19, 2014, and the Third Supplemental Indenture, dated as of June 26, 2018, in each case, by and between the Company, as Issuer, and the Trustee (the “Indenture”), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Company and the Holders of the Notes and of the terms upon which this Note is, and is to be, authenticated and delivered. The terms, conditions and provisions of the Notes are those stated in the Indenture, those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended, and those set forth in this Note. To the extent that the terms, conditions and other provisions of this Note modify, supplement or are inconsistent with those of the Indenture, then the terms, conditions and other provisions of this Note shall govern.

All capitalized terms which are used but not defined in this Note shall have the meanings assigned to them in the Indenture.

The Company may, without the consent of the Holders, create and issue additional Securities ranking equally with the Notes and otherwise identical in all respects (except for the public offering price, initial interest accrual date, initial Interest Payment Date, and the issue date) so that such additional Securities shall be consolidated and form a single Series with the Notes; *provided, however*, that any additional Securities that are not fungible with any then outstanding Notes for United States federal income tax purposes will be issued under CUSIP and ISIN numbers separate from the CUSIP and ISIN numbers of such outstanding Notes; and *provided, further*, that no additional Securities of any existing or new Series may be issued under the Indenture if an Event of Default has occurred and remains uncured thereunder.

2. *Ranking.* The Notes shall constitute the senior unsecured debt obligations of the Company and shall rank equally in right of payment among themselves and with all other existing and future senior unsecured debt obligations of the Company.

3. *Payment of Overdue Amounts.* The Company shall pay interest on overdue principal and overdue installments of interest, if any, from time to time, calculated on the basis of a 360-day year consisting of twelve 30-day months, giving effect to the actual payment date for such overdue principal and overdue installments of interest, on demand at the interest rate borne by the Notes to the extent lawful.

4. Redemption.

(a) *Make-Whole Redemption.* At any time prior to April 26, 2025, the Notes shall be redeemable, as a whole or in part, at the option of the Company, at a redemption price equal to the greater of:

- 100% of the principal amount of the Notes to be redeemed, plus any accrued and unpaid interest to, but excluding, the redemption date; and
- the sum of the present values of the Remaining Scheduled Payments (as defined below), plus any accrued and unpaid interest to, but excluding, the redemption date.

In determining the present value of the Remaining Scheduled Payments, the Company shall discount such payments to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) using a discount rate equal to the Applicable Treasury Rate plus twelve and one-half (12.5) basis points (i.e., 0.1250%).

“Applicable Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue. In determining this rate, the Company shall assume a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

“Comparable Treasury Issue” means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing a new issue of corporate debt securities of comparable maturity to the remaining term of such Notes.

“Comparable Treasury Price” means, with respect to any redemption date, the arithmetic average, as determined by the Independent Investment Banker, of the Reference Treasury Dealer Quotations for such redemption date.

“Independent Investment Banker” means each of Barclays Capital Inc., Citigroup Global Markets Inc. and J.P. Morgan Securities LLC and their respective successors as may be appointed from time to time by the Company; provided, however, that if any of the foregoing shall cease to be a primary U.S. Government securities dealer (a “Primary Treasury Dealer”), the Company shall substitute therefor another Primary Treasury Dealer for such firm.

“Reference Treasury Dealer” means each of Barclays Capital Inc., Citigroup Global Markets Inc. and J.P. Morgan Securities LLC and their respective successors; provided, however, that if any of the foregoing shall cease to be a Primary Treasury Dealer, the Company shall substitute therefor another Primary Treasury Dealer for such firm.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the arithmetic average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker by such Reference Treasury Dealer by 5:00 p.m., New York City time, on the third business day preceding such redemption date.

“Remaining Scheduled Payments” means, with respect to the Notes, the remaining scheduled payments of the principal thereof to be redeemed and interest thereon that would be due after the related redemption date but for such redemption; provided, however, that, if such redemption date is not an interest payment date with respect to such Note, the amount of the next scheduled interest payment thereon will be reduced by the amount of interest accrued thereon to such redemption date.

(b) *Other Redemption Right.* The Company may also redeem the Notes, at its option, as a whole or in part, at any time on or after April 26, 2025, at a redemption price equal to 100% of the principal amount of the Notes being redeemed, plus any accrued and unpaid interest to, but excluding, the redemption date.

(c) *Redemption Procedures.* Any Notes to be redeemed by the Company shall be redeemed in accordance with the provisions of Article Four of the Indenture, including, without limitation, the requirement that any notice of redemption must be mailed to each registered holder of the Notes being redeemed at least 10 days but not more than 60 days prior to the redemption date. Notwithstanding the foregoing, the calculation of the redemption price for any Notes pursuant to Section 4(a) or Section 4(b) above and any accrued and unpaid interest payable upon the redemption of such Notes shall be made by the Company or on behalf of the Company by a Person designated by the Company. Such calculation shall not be the duty or obligation of the Trustee unless otherwise agreed by the Company and the Trustee.

5. *Place and Method of Payment.* The Company shall pay principal of and interest on the Notes at the office or agency of the Paying Agent (as defined in Section 14 hereof) in the Borough of Manhattan, The City of New York; *provided, however*, that at the option of the Company, the Company may pay interest by check mailed to the person entitled thereto at such person’s address as it appears on the Registry for the Notes.

6. *Defeasance of the Notes.* Sections 11.02, 11.03 and 11.04 of the Indenture shall apply to the Notes.

7. *No Sinking Fund.* The Notes are not subject to a sinking fund.

8. *Amendment and Modification.* Article Nine of the Indenture contains provisions for the amendment or modification of the Indenture and the Notes without the consent of the Holders in certain circumstances and requiring the consent of Holders of not less than a majority in aggregate principal amount of the Notes and Securities of other Series that would be affected in certain other circumstances. However, the Indenture requires the consent of each Holder of the Notes and Securities of other Series that would be affected for certain specified amendments or modifications of the Indenture and the Notes. These provisions of the Indenture, which provide for, among other things, the execution of supplemental indentures, are applicable to the Notes.

9. *Event of Default; Acceleration of Maturity; Rescission and Annulment.* If an Event of Default with respect to the Notes shall occur and be continuing, then the aggregate principal amount of the Notes of this Series may be declared by either the Trustee or the Holders of not

less than 25% in aggregate principal amount of the Notes of this Series then Outstanding to be, and, in certain cases, may automatically become, immediately due and payable in the manner, with the effect and subject to the conditions provided in the Indenture. The Indenture provides that, in the event of such an acceleration of the maturity of the Notes, the Holders of a majority in aggregate principal amount of all of the Notes of this Series then Outstanding, voting as a separate class, in accordance with the provisions of, and in the circumstances provided by, the Indenture, may rescind and annul such acceleration and its consequences with respect to all of the Notes.

10. *Absolute Obligation.* No reference herein to the Indenture and no provisions of the Notes or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the place, at the time and in the coin or currency herein prescribed.

11. *Form and Denominations; Global Note; Definitive Notes.* The Notes are being issued in registered form without interest coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The Notes are initially being issued in the form of one or more global notes (each, a “Global Note”), evidencing all or any portion of the Notes and registered in the name of The Depository Trust Company (the “Depository”) or its nominee (including their respective successors) as Depository under the Indenture. The Notes shall be issued in certificated form (each, a “Definitive Note”) only in the following limited circumstances: (1) the Depository is at any time unwilling or unable to continue as Depository or ceases to be a clearing agency registered under applicable law, and a successor depository is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility; (2) the Company delivers to the Trustee a Company Order to the effect that this Note shall be exchangeable for Definitive Notes; or (3) an Event of Default has occurred and is continuing with respect to the Notes, in each such case this Note shall be exchangeable for Definitive Notes in an equal aggregate principal amount. Such Definitive Notes shall be registered in such name or names as the Depository shall instruct the Trustee.

12. *Registration, Transfer and Exchange.* As provided in the Indenture and subject to certain limitations therein set forth, the Company shall provide for the registration of the Notes and the transfer and exchange of the Notes, whether in global or definitive form. At the option of the Holders, at the offices of the Registrar (as defined in Section 14 hereof), or at any of such other offices or agencies as may be designated and maintained by the Company for such purpose pursuant to the provisions of the Indenture, and in the manner and subject to the limitations provided in the Indenture, but without the payment of any service charge, except for any transfer tax or other governmental charges imposed in connection therewith, the Notes may be transferred or exchanged for an equal aggregate principal amount of the Notes of like tenor and of other authorized denominations upon surrender and cancellation of the Notes upon any such transfer.

The Company, the Trustee and any agent of the Company or of the Trustee may deem and treat the Holder as the absolute owner of this Note (whether or not the Notes shall be overdue and notwithstanding any notation of ownership or other writing hereon), for the purpose of receiving payments hereon, or on account hereof, and for all other purposes, and neither the Company nor the Trustee nor any agent of the Company or of the Trustee shall be affected by any notice to the contrary. All such payments made to or upon the order of such Holder shall, to the extent of the amount or amounts paid, effectually satisfy and discharge liability for moneys payable on this Note.

Notwithstanding the preceding paragraphs of this Section 12, any registration of transfer or exchange of a Global Note shall be subject to the terms of the legend appearing on the initial page thereof.

13. *No Recourse Against Others.* No recourse under or upon any obligation, covenant or agreement of the Company arising under or set forth in the Notes or under the Indenture, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment or penalty or otherwise, any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director, as such, being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

14. *Appointment of Agents.* The Bank of New York Mellon Trust Company, N. A. is hereby appointed (i) the registrar (the “Registrar”) for the purpose of registering the Notes and of effecting transfers and exchanges of the Notes pursuant to the Indenture and this Note and (ii) the Paying Agent pursuant to Section 3.04 of the Indenture (the “Paying Agent”).

15. *Notices.* If the Company is required to give notice to the Holders of the Notes pursuant to the terms of the Indenture, then it shall do so by the means and in the manner set forth in Section 1.06 of the Indenture.

16. *Separability.* In case any provision of the Indenture or the Notes shall, for any reason, be held to be invalid, illegal or unenforceable, then the validity, legality and enforceability of the remaining provisions thereof and hereof shall not in any way be affected or impaired thereby.

17. *GOVERNING LAW.* THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

3.700% NOTES DUE 2028

1. *Indenture; Notes.* This Note is one of a duly authorized Series of Securities of the Company designated as the “3.700% Notes Due 2028” (the “Notes”), initially issued in an aggregate principal amount of \$2,750,000,000 on June 27, 2018. Such Series of Securities has been established pursuant to, and is one of an indefinite number of Series of debt securities of the Company, issued or issuable under and pursuant to, the Indenture, dated as of July 19, 2005, by and between the Company, as Issuer, and The Bank of New York Mellon Trust Company, N.A., as Trustee (the “Trustee”), as supplemented and amended by the First Supplemental Indenture, dated as of December 1, 2006, the Second Supplemental Indenture, dated as of December 19, 2014, and the Third Supplemental Indenture, dated as of June 26, 2018, in each case, by and between the Company, as Issuer, and the Trustee (the “Indenture”), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Company and the Holders of the Notes and of the terms upon which this Note is, and is to be, authenticated and delivered. The terms, conditions and provisions of the Notes are those stated in the Indenture, those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended, and those set forth in this Note. To the extent that the terms, conditions and other provisions of this Note modify, supplement or are inconsistent with those of the Indenture, then the terms, conditions and other provisions of this Note shall govern.

All capitalized terms which are used but not defined in this Note shall have the meanings assigned to them in the Indenture.

The Company may, without the consent of the Holders, create and issue additional Securities ranking equally with the Notes and otherwise identical in all respects (except for the public offering price, initial interest accrual date, initial Interest Payment Date, and the issue date) so that such additional Securities shall be consolidated and form a single Series with the Notes; *provided, however*, that any additional Securities that are not fungible with any then outstanding Notes for United States federal income tax purposes will be issued under CUSIP and ISIN numbers separate from the CUSIP and ISIN numbers of such outstanding Notes; and *provided, further*, that no additional Securities of any existing or new Series may be issued under the Indenture if an Event of Default has occurred and remains uncured thereunder.

2. *Ranking.* The Notes shall constitute the senior unsecured debt obligations of the Company and shall rank equally in right of payment among themselves and with all other existing and future senior unsecured debt obligations of the Company.

3. *Payment of Overdue Amounts.* The Company shall pay interest on overdue principal and overdue installments of interest, if any, from time to time, calculated on the basis of a 360-day year consisting of twelve 30-day months, giving effect to the actual payment date for such overdue principal and overdue installments of interest, on demand at the interest rate borne by the Notes to the extent lawful.

4. Redemption.

(a) *Make-Whole Redemption.* At any time prior to March 26, 2028, the Notes shall be redeemable, as a whole or in part, at the option of the Company, at a redemption price equal to the greater of:

- 100% of the principal amount of the Notes to be redeemed, plus any accrued and unpaid interest to, but excluding, the redemption date; and
- the sum of the present values of the Remaining Scheduled Payments (as defined below), plus any accrued and unpaid interest to, but excluding, the redemption date.

In determining the present value of the Remaining Scheduled Payments, the Company shall discount such payments to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) using a discount rate equal to the Applicable Treasury Rate plus twelve and one-half (12.5) basis points (i.e., 0.1250%).

“Applicable Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue. In determining this rate, the Company shall assume a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

“Comparable Treasury Issue” means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing a new issue of corporate debt securities of comparable maturity to the remaining term of such Notes.

“Comparable Treasury Price” means, with respect to any redemption date, the arithmetic average, as determined by the Independent Investment Banker, of the Reference Treasury Dealer Quotations for such redemption date.

“Independent Investment Banker” means each of Barclays Capital Inc., Citigroup Global Markets Inc. and J.P. Morgan Securities LLC and their respective successors as may be appointed from time to time by the Company; provided, however, that if any of the foregoing shall cease to be a primary U.S. Government securities dealer (a “Primary Treasury Dealer”), the Company shall substitute therefor another Primary Treasury Dealer for such firm.

“Reference Treasury Dealer” means each of Barclays Capital Inc., Citigroup Global Markets Inc. and J.P. Morgan Securities LLC and their respective successors; provided, however, that if any of the foregoing shall cease to be a Primary Treasury Dealer, the Company shall substitute therefor another Primary Treasury Dealer for such firm.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the arithmetic average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker by such Reference Treasury Dealer by 5:00 p.m., New York City time, on the third business day preceding such redemption date.

“Remaining Scheduled Payments” means, with respect to the Notes, the remaining scheduled payments of the principal thereof to be redeemed and interest thereon that would be due after the related redemption date but for such redemption; provided, however, that, if such redemption date is not an interest payment date with respect to such Note, the amount of the next scheduled interest payment thereon will be reduced by the amount of interest accrued thereon to such redemption date.

(b) *Other Redemption Right.* The Company may also redeem the Notes, at its option, as a whole or in part, at any time on or after March 26, 2028 at a redemption price equal to 100% of the principal amount of the Notes being redeemed, plus any accrued and unpaid interest to, but excluding, the redemption date.

(c) *Redemption Procedures.* Any Notes to be redeemed by the Company shall be redeemed in accordance with the provisions of Article Four of the Indenture, including, without limitation, the requirement that any notice of redemption must be mailed to each registered holder of the Notes being redeemed at least 10 days but not more than 60 days prior to the redemption date. Notwithstanding the foregoing, the calculation of the redemption price for any Notes pursuant to Section 4(a) or Section 4(b) above and any accrued and unpaid interest payable upon the redemption of such Notes shall be made by the Company or on behalf of the Company by a Person designated by the Company. Such calculation shall not be the duty or obligation of the Trustee unless otherwise agreed by the Company and the Trustee.

(d) *Special Mandatory Redemption.* In May 2018, the Company and one of its subsidiaries entered into agreements (the “Flipkart Agreements”) with Flipkart Private Limited (“Flipkart”), the Singapore holding company of the Flipkart group, and certain shareholders of Flipkart (the “Flipkart Shareholders”), pursuant to which such subsidiary of the Company has agreed to acquire certain shares of Flipkart (the “Flipkart Acquisition”). If (i) the Flipkart Acquisition has not been consummated on or prior to the June 7, 2019 (the “Outside Date”), (ii) the Flipkart Agreements are terminated on or prior to the Outside Date, or (iii) the Company otherwise publicly announces on or prior to the Outside Date that the Flipkart Acquisition will not be consummated, then the Company will be required to redeem all of the Notes on the Special Mandatory Redemption Date (as defined below) at a special mandatory redemption price equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (the “Special Mandatory Redemption Price”).

The “Special Mandatory Redemption Date” means the 20th day (or if such day is not a Business Day, the first Business Day thereafter) after the earliest to occur of (i) the Outside Date, if the Flipkart Acquisition has not been consummated on or prior thereto, (ii) the date of termination of the Flipkart Agreements, or (iii) the date of public announcement by the Company that the Flipkart Acquisition will not be consummated.

Notwithstanding the foregoing, installments of interest on the Notes that are due and payable on Interest Payment Dates falling on or prior to the Special Mandatory Redemption Date will be payable on such Interest Payment Dates to the registered Holders as of the close of business on the relevant Record Dates in accordance with the terms of the Notes and the Indenture.

The Company will cause the notice of special mandatory redemption pursuant to this Section 5 to be transmitted, with a copy to the Trustee, within five business days after the occurrence of the event triggering the special mandatory redemption pursuant to this Section 5 to each Holder at its registered address. If funds sufficient to pay the Special Mandatory Redemption Price of the outstanding Notes to be redeemed on the Special Mandatory Redemption Date are deposited with the Trustee on or before such Special Mandatory Redemption Date, and certain other conditions are satisfied, on and after such Special Mandatory Redemption Date, the outstanding Notes will cease to bear interest.

Upon the consummation of the Flipkart Acquisition (including under circumstances in which the Company acquires less than 77 percent of the share capital of Flipkart and/or the Flipkart Agreements are amended or otherwise modified), the foregoing provisions regarding the special mandatory redemption will cease to apply.

5. *Place and Method of Payment.* The Company shall pay principal of and interest on the Notes at the office or agency of the Paying Agent (as defined in Section 14 hereof) in the Borough of Manhattan, The City of New York; *provided, however*, that at the option of the Company, the Company may pay interest by check mailed to the person entitled thereto at such person's address as it appears on the Registry for the Notes.

6. *Defeasance of the Notes.* Sections 11.02, 11.03 and 11.04 of the Indenture shall apply to the Notes.

7. *No Sinking Fund.* The Notes are not subject to a sinking fund.

8. *Amendment and Modification.* Article Nine of the Indenture contains provisions for the amendment or modification of the Indenture and the Notes without the consent of the Holders in certain circumstances and requiring the consent of Holders of not less than a majority in aggregate principal amount of the Notes and Securities of other Series that would be affected in certain other circumstances. However, the Indenture requires the consent of each Holder of the Notes and Securities of other Series that would be affected for certain specified amendments or modifications of the Indenture and the Notes. These provisions of the Indenture, which provide for, among other things, the execution of supplemental indentures, are applicable to the Notes.

9. *Event of Default; Acceleration of Maturity; Rescission and Annulment.* If an Event of Default with respect to the Notes shall occur and be continuing, then the aggregate principal amount of the Notes of this Series may be declared by either the Trustee or the Holders of not less than 25% in aggregate principal amount of the Notes of this Series then Outstanding to be, and, in certain cases, may automatically become, immediately due and payable in the manner, with the effect and subject to the conditions provided in the Indenture. The Indenture provides that, in the event of such an acceleration of the maturity of the Notes, the Holders of a majority in aggregate principal amount of all of the Notes of this Series then Outstanding, voting as a separate class, in accordance with the provisions of, and in the circumstances provided by, the Indenture, may rescind and annul such acceleration and its consequences with respect to all of the Notes.

10. *Absolute Obligation.* No reference herein to the Indenture and no provisions of the Notes or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the place, at the time and in the coin or currency herein prescribed.

11. *Form and Denominations; Global Note; Definitive Notes.* The Notes are being issued in registered form without interest coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The Notes are initially being issued in the form of one or more global notes (each, a “Global Note”), evidencing all or any portion of the Notes and registered in the name of The Depository Trust Company (the “Depository”) or its nominee (including their respective successors) as Depository under the Indenture. The Notes shall be issued in certificated form (each, a “Definitive Note”) only in the following limited circumstances: (1) the Depository is at any time unwilling or unable to continue as Depository or ceases to be a clearing agency registered under applicable law, and a successor depository is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility; (2) the Company delivers to the Trustee a Company Order to the effect that this Note shall be exchangeable for Definitive Notes; or (3) an Event of Default has occurred and is continuing with respect to the Notes, in each such case this Note shall be exchangeable for Definitive Notes in an equal aggregate principal amount. Such Definitive Notes shall be registered in such name or names as the Depository shall instruct the Trustee.

12. *Registration, Transfer and Exchange.* As provided in the Indenture and subject to certain limitations therein set forth, the Company shall provide for the registration of the Notes and the transfer and exchange of the Notes, whether in global or definitive form. At the option of the Holders, at the offices of the Registrar (as defined in Section 14 hereof), or at any of such other offices or agencies as may be designated and maintained by the Company for such purpose pursuant to the provisions of the Indenture, and in the manner and subject to the limitations provided in the Indenture, but without the payment of any service charge, except for any transfer tax or other governmental charges imposed in connection therewith, the Notes may be transferred or exchanged for an equal aggregate principal amount of the Notes of like tenor and of other authorized denominations upon surrender and cancellation of the Notes upon any such transfer.

The Company, the Trustee and any agent of the Company or of the Trustee may deem and treat the Holder as the absolute owner of this Note (whether or not the Notes shall be overdue and notwithstanding any notation of ownership or other writing hereon), for the purpose of receiving payments hereon, or on account hereof, and for all other purposes, and neither the Company nor the Trustee nor any agent of the Company or of the Trustee shall be affected by any notice to the contrary. All such payments made to or upon the order of such Holder shall, to the extent of the amount or amounts paid, effectually satisfy and discharge liability for moneys payable on this Note.

Notwithstanding the preceding paragraphs of this Section 12, any registration of transfer or exchange of a Global Note shall be subject to the terms of the legend appearing on the initial page thereof.

13. *No Recourse Against Others.* No recourse under or upon any obligation, covenant or agreement of the Company arising under or set forth in the Notes or under the Indenture, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment or penalty or otherwise, any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director, as such, being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

14. *Appointment of Agents.* The Bank of New York Mellon Trust Company, N. A. is hereby appointed (i) the registrar (the “Registrar”) for the purpose of registering the Notes and of effecting transfers and exchanges of the Notes pursuant to the Indenture and this Note and (ii) the Paying Agent pursuant to Section 3.04 of the Indenture (the “Paying Agent”).

15. *Notices.* If the Company is required to give notice to the Holders of the Notes pursuant to the terms of the Indenture, then it shall do so by the means and in the manner set forth in Section 1.06 of the Indenture.

16. *Separability.* In case any provision of the Indenture or the Notes shall, for any reason, be held to be invalid, illegal or unenforceable, then the validity, legality and enforceability of the remaining provisions thereof and hereof shall not in any way be affected or impaired thereby.

17. *GOVERNING LAW.* THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

Such calculation shall not be the duty or obligation of the Trustee unless otherwise agreed by the Company and the Trustee.

(d) *Special Mandatory Redemption.* In May 2018, the Company and one of its subsidiaries entered into agreements (the “Flipkart Agreements”) with Flipkart Private Limited (“Flipkart”), the Singapore holding company of the Flipkart group, and certain shareholders of Flipkart (the “Flipkart Shareholders”), pursuant to which such subsidiary of the Company has agreed to acquire certain shares of Flipkart (the “Flipkart Acquisition”). If (i) the Flipkart Acquisition has not been consummated on or prior to the June 7, 2019 (the “Outside Date”), (ii) the Flipkart Agreements are terminated on or prior to the Outside Date, or (iii) the Company otherwise publicly announces on or prior to the Outside Date that the Flipkart Acquisition will not be consummated, then the Company will be required to redeem all of the Notes on the Special Mandatory Redemption Date (as defined below) at a special mandatory redemption price equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (the “Special Mandatory Redemption Price”).

The “Special Mandatory Redemption Date” means the 20th day (or if such day is not a Business Day, the first Business Day thereafter) after the earliest to occur of (i) the Outside Date, if the Flipkart Acquisition has not been consummated on or prior thereto, (ii) the date of termination of the Flipkart Agreements, or (iii) the date of public announcement by the Company that the Flipkart Acquisition will not be consummated.

Notwithstanding the foregoing, installments of interest on the Notes that are due and payable on Interest Payment Dates falling on or prior to the Special Mandatory Redemption Date will be payable on such Interest Payment Dates to the registered Holders as of the close of business on the relevant Record Dates in accordance with the terms of the Notes and the Indenture.

The Company will cause the notice of special mandatory redemption pursuant to this Section 5 to be transmitted, with a copy to the Trustee, within five business days after the occurrence of the event triggering the special mandatory redemption pursuant to this Section 5 to each Holder at its registered address. If funds sufficient to pay the Special Mandatory Redemption Price of the outstanding Notes to be redeemed on the Special Mandatory Redemption Date are deposited with the Trustee on or before such Special Mandatory Redemption Date, and certain other conditions are satisfied, on and after such Special Mandatory Redemption Date, the outstanding Notes will cease to bear interest.

Upon the consummation of the Flipkart Acquisition (including under circumstances in which the Company acquires less than 77 percent of the share capital of Flipkart and/or the Flipkart Agreements are amended or otherwise modified), the foregoing provisions regarding the special mandatory redemption will cease to apply.

5. *Place and Method of Payment.* The Company shall pay principal of and interest on the Notes at the office or agency of the Paying Agent (as defined in Section 14 hereof) in the Borough of Manhattan, The City of New York; *provided, however*, that at the option of the Company, the Company may pay interest by check mailed to the person entitled thereto at such person's address as it appears on the Registry for the Notes.

6. *Defeasance of the Notes.* Sections 11.02, 11.03 and 11.04 of the Indenture shall apply to the Notes.

7. *No Sinking Fund.* The Notes are not subject to a sinking fund.

8. *Amendment and Modification.* Article Nine of the Indenture contains provisions for the amendment or modification of the Indenture and the Notes without the consent of the Holders in certain circumstances and requiring the consent of Holders of not less than a majority in aggregate principal amount of the Notes and Securities of other Series that would be affected in certain other circumstances. However, the Indenture requires the consent of each Holder of the Notes and Securities of other Series that would be affected for certain specified amendments or modifications of the Indenture and the Notes. These provisions of the Indenture, which provide for, among other things, the execution of supplemental indentures, are applicable to the Notes.

9. *Event of Default; Acceleration of Maturity; Rescission and Annulment.* If an Event of Default with respect to the Notes shall occur and be continuing, then the aggregate principal amount of the Notes of this Series may be declared by either the Trustee or the Holders of not less than 25% in aggregate principal amount of the Notes of this Series then Outstanding to be, and, in certain cases, may automatically become, immediately due and payable in the manner, with the effect and subject to the conditions provided in the Indenture. The Indenture provides that, in the event of such an acceleration of the maturity of the Notes, the Holders of a majority in aggregate principal amount of all of the Notes of this Series then Outstanding, voting as a separate class, in accordance with the provisions of, and in the circumstances provided by, the Indenture, may rescind and annul such acceleration and its consequences with respect to all of the Notes.

10. *Absolute Obligation.* No reference herein to the Indenture and no provisions of the Notes or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the place, at the time and in the coin or currency herein prescribed.

11. *Form and Denominations; Global Note; Definitive Notes.* The Notes are being issued in registered form without interest coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The Notes are initially being issued in the form of one or more global notes (each, a “Global Note”), evidencing all or any portion of the Notes and registered in the name of The Depository Trust Company (the “Depository”) or its nominee (including their respective successors) as Depository under the Indenture. The Notes shall be issued in certificated form (each, a “Definitive Note”) only in the following limited circumstances: (1) the Depository is at any time unwilling or unable to continue as Depository or ceases to be a clearing agency registered under applicable law, and a successor depository is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility; (2) the Company delivers to the Trustee a Company Order to the effect that this Note shall be exchangeable for Definitive Notes; or (3) an Event of Default has occurred and is continuing with respect to the Notes, in each such case this Note shall be exchangeable for Definitive Notes in an equal aggregate principal amount. Such Definitive Notes shall be registered in such name or names as the Depository shall instruct the Trustee.

12. *Registration, Transfer and Exchange.* As provided in the Indenture and subject to certain limitations therein set forth, the Company shall provide for the registration of the Notes and the transfer and exchange of the Notes, whether in global or definitive form. At the option of the Holders, at the offices of the Registrar (as defined in Section 14 hereof), or at any of such other offices or agencies as may be designated and maintained by the Company for such purpose pursuant to the provisions of the Indenture, and in the manner and subject to the limitations provided in the Indenture, but without the payment of any service charge, except for any transfer tax or other governmental charges imposed in connection therewith, the Notes may be transferred or exchanged for an equal aggregate principal amount of the Notes of like tenor and of other authorized denominations upon surrender and cancellation of the Notes upon any such transfer.

The Company, the Trustee and any agent of the Company or of the Trustee may deem and treat the Holder as the absolute owner of this Note (whether or not the Notes shall be overdue and notwithstanding any notation of ownership or other writing hereon), for the purpose of receiving payments hereon, or on account hereof, and for all other purposes, and neither the Company nor the Trustee nor any agent of the Company or of the Trustee shall be affected by any notice to the contrary. All such payments made to or upon the order of such Holder shall, to the extent of the amount or amounts paid, effectually satisfy and discharge liability for moneys payable on this Note.

Notwithstanding the preceding paragraphs of this Section 12, any registration of transfer or exchange of a Global Note shall be subject to the terms of the legend appearing on the initial page thereof.

13. *No Recourse Against Others.* No recourse under or upon any obligation, covenant or agreement of the Company arising under or set forth in the Notes or under the Indenture, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment or penalty or otherwise, any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director, as such, being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

14. *Appointment of Agents.* The Bank of New York Mellon Trust Company, N. A. is hereby appointed (i) the registrar (the “Registrar”) for the purpose of registering the Notes and of effecting transfers and exchanges of the Notes pursuant to the Indenture and this Note and (ii) the Paying Agent pursuant to Section 3.04 of the Indenture (the “Paying Agent”).

15. *Notices.* If the Company is required to give notice to the Holders of the Notes pursuant to the terms of the Indenture, then it shall do so by the means and in the manner set forth in Section 1.06 of the Indenture.

16. *Separability.* In case any provision of the Indenture or the Notes shall, for any reason, be held to be invalid, illegal or unenforceable, then the validity, legality and enforceability of the remaining provisions thereof and hereof shall not in any way be affected or impaired thereby.

17. *GOVERNING LAW.* THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

WALMART INC.

4.050% NOTES DUE 2048

1. *Indenture; Notes.* This Note is one of a duly authorized Series of Securities of the Company designated as the “4.050% Notes Due 2048” (the “Notes”), initially issued in an aggregate principal amount of \$3,000,000,000 on June 27, 2018. Such Series of Securities has been established pursuant to, and is one of an indefinite number of Series of debt securities of the Company, issued or issuable under and pursuant to, the Indenture, dated as of July 19, 2005, by and between the Company, as Issuer, and The Bank of New York Mellon Trust Company, N.A., as Trustee (the “Trustee”), as supplemented and amended by the First Supplemental Indenture, dated as of December 1, 2006, the Second Supplemental Indenture, dated as of December 19, 2014, and the Third Supplemental Indenture, dated as of June 26, 2018, in each case, by and between the Company, as Issuer, and the Trustee (the “Indenture”), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Company and the Holders of the Notes and of the terms upon which this Note is, and is to be, authenticated and delivered. The terms, conditions and provisions of the Notes are those stated in the Indenture, those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended, and those set forth in this Note. To the extent that the terms, conditions and other provisions of this Note modify, supplement or are inconsistent with those of the Indenture, then the terms, conditions and other provisions of this Note shall govern.

All capitalized terms which are used but not defined in this Note shall have the meanings assigned to them in the Indenture.

The Company may, without the consent of the Holders, create and issue additional Securities ranking equally with the Notes and otherwise identical in all respects (except for the public offering price, initial interest accrual date, initial Interest Payment Date, and the issue date) so that such additional Securities shall be consolidated and form a single Series with the Notes; *provided, however*, that any additional Securities that are not fungible with any then outstanding Notes for United States federal income tax purposes will be issued under CUSIP and ISIN numbers separate from the CUSIP and ISIN numbers of such outstanding Notes; and *provided, further*, that no additional Securities of any existing or new Series may be issued under the Indenture if an Event of Default has occurred and remains uncured thereunder.

2. *Ranking.* The Notes shall constitute the senior unsecured debt obligations of the Company and shall rank equally in right of payment among themselves and with all other existing and future senior unsecured debt obligations of the Company.

3. *Payment of Overdue Amounts.* The Company shall pay interest on overdue principal and overdue installments of interest, if any, from time to time, calculated on the basis of a 360-day year consisting of twelve 30-day months, giving effect to the actual payment date for such overdue principal and overdue installments of interest, on demand at the interest rate borne by the Notes to the extent lawful.

4. Redemption.

(a) *Make-Whole Redemption.* At any time prior to December 29, 2047, the Notes shall be redeemable, as a whole or in part, at the option of the Company, at a redemption price equal to the greater of:

- 100% of the principal amount of the Notes to be redeemed, plus any accrued and unpaid interest to, but excluding, the redemption date; and
- the sum of the present values of the Remaining Scheduled Payments (as defined below), plus any accrued and unpaid interest to, but excluding, the redemption date.

In determining the present value of the Remaining Scheduled Payments, the Company shall discount such payments to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) using a discount rate equal to the Applicable Treasury Rate plus twenty (20) basis points (i.e., 0.200%).

“Applicable Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue. In determining this rate, the Company shall assume a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

“Comparable Treasury Issue” means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing a new issue of corporate debt securities of comparable maturity to the remaining term of such Notes.

“Comparable Treasury Price” means, with respect to any redemption date, the arithmetic average, as determined by the Independent Investment Banker, of the Reference Treasury Dealer Quotations for such redemption date.

“Independent Investment Banker” means each of Barclays Capital Inc., Citigroup Global Markets Inc. and J.P. Morgan Securities LLC and their respective successors as may be appointed from time to time by the Company; provided, however, that if any of the foregoing shall cease to be a primary U.S. Government securities dealer (a “Primary Treasury Dealer”), the Company shall substitute therefor another Primary Treasury Dealer for such firm.

“Reference Treasury Dealer” means each of Barclays Capital Inc., Citigroup Global Markets Inc. and J.P. Morgan Securities LLC and their respective successors; provided, however, that if any of the foregoing shall cease to be a Primary Treasury Dealer, the Company shall substitute therefor another Primary Treasury Dealer for such firm.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the arithmetic average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker by such Reference Treasury Dealer by 5:00 p.m., New York City time, on the third business day preceding such redemption date.

“Remaining Scheduled Payments” means, with respect to the Notes, the remaining scheduled payments of the principal thereof to be redeemed and interest thereon that would be due after the related redemption date but for such redemption; provided, however, that, if such redemption date is not an interest payment date with respect to such Note, the amount of the next scheduled interest payment thereon will be reduced by the amount of interest accrued thereon to such redemption date.

(b) *Other Redemption Right.* The Company may also redeem the Notes, at its option, as a whole or in part, at any time on or after December 29, 2047, at a redemption price equal to 100% of the principal amount of the Notes being redeemed, plus any accrued and unpaid interest to, but excluding, the redemption date.

(c) *Redemption Procedures.* Any Notes to be redeemed by the Company shall be redeemed in accordance with the provisions of Article Four of the Indenture, including, without limitation, the requirement that any notice of redemption must be mailed to each registered holder of the Notes being redeemed at least 10 days but not more than 60 days prior to the redemption date. Notwithstanding the foregoing, the calculation of the redemption price for any Notes pursuant to Section 4(a) or Section 4(b) above and any accrued and unpaid interest payable upon the redemption of such Notes shall be made by the Company or on behalf of the Company by a Person designated by the Company. Such calculation shall not be the duty or obligation of the Trustee unless otherwise agreed by the Company and the Trustee.

5. *Place and Method of Payment.* The Company shall pay principal of and interest on the Notes at the office or agency of the Paying Agent (as defined in Section 14 hereof) in the Borough of Manhattan, The City of New York; *provided, however*, that at the option of the Company, the Company may pay interest by check mailed to the person entitled thereto at such person’s address as it appears on the Registry for the Notes.

6. *Defeasance of the Notes.* Sections 11.02, 11.03 and 11.04 of the Indenture shall apply to the Notes.

7. *No Sinking Fund.* The Notes are not subject to a sinking fund.

8. *Amendment and Modification.* Article Nine of the Indenture contains provisions for the amendment or modification of the Indenture and the Notes without the consent of the Holders in certain circumstances and requiring the consent of Holders of not less than a majority in aggregate principal amount of the Notes and Securities of other Series that would be affected in certain other circumstances. However, the Indenture requires the consent of each Holder of the Notes and Securities of other Series that would be affected for certain specified amendments or modifications of the Indenture and the Notes. These provisions of the Indenture, which provide for, among other things, the execution of supplemental indentures, are applicable to the Notes.

9. *Event of Default; Acceleration of Maturity; Rescission and Annulment.* If an Event of Default with respect to the Notes shall occur and be continuing, then the aggregate principal amount of the Notes of this Series may be declared by either the Trustee or the Holders of not

less than 25% in aggregate principal amount of the Notes of this Series then Outstanding to be, and, in certain cases, may automatically become, immediately due and payable in the manner, with the effect and subject to the conditions provided in the Indenture. The Indenture provides that, in the event of such an acceleration of the maturity of the Notes, the Holders of a majority in aggregate principal amount of all of the Notes of this Series then Outstanding, voting as a separate class, in accordance with the provisions of, and in the circumstances provided by, the Indenture, may rescind and annul such acceleration and its consequences with respect to all of the Notes.

10. *Absolute Obligation.* No reference herein to the Indenture and no provisions of the Notes or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the place, at the time and in the coin or currency herein prescribed.

11. *Form and Denominations; Global Note; Definitive Notes.* The Notes are being issued in registered form without interest coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The Notes are initially being issued in the form of one or more global notes (each, a “Global Note”), evidencing all or any portion of the Notes and registered in the name of The Depository Trust Company (the “Depository”) or its nominee (including their respective successors) as Depository under the Indenture. The Notes shall be issued in certificated form (each, a “Definitive Note”) only in the following limited circumstances: (1) the Depository is at any time unwilling or unable to continue as Depository or ceases to be a clearing agency registered under applicable law, and a successor depository is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility; (2) the Company delivers to the Trustee a Company Order to the effect that this Note shall be exchangeable for Definitive Notes; or (3) an Event of Default has occurred and is continuing with respect to the Notes, in each such case this Note shall be exchangeable for Definitive Notes in an equal aggregate principal amount. Such Definitive Notes shall be registered in such name or names as the Depository shall instruct the Trustee.

12. *Registration, Transfer and Exchange.* As provided in the Indenture and subject to certain limitations therein set forth, the Company shall provide for the registration of the Notes and the transfer and exchange of the Notes, whether in global or definitive form. At the option of the Holders, at the offices of the Registrar (as defined in Section 14 hereof), or at any of such other offices or agencies as may be designated and maintained by the Company for such purpose pursuant to the provisions of the Indenture, and in the manner and subject to the limitations provided in the Indenture, but without the payment of any service charge, except for any transfer tax or other governmental charges imposed in connection therewith, the Notes may be transferred or exchanged for an equal aggregate principal amount of the Notes of like tenor and of other authorized denominations upon surrender and cancellation of the Notes upon any such transfer.

The Company, the Trustee and any agent of the Company or of the Trustee may deem and treat the Holder as the absolute owner of this Note (whether or not the Notes shall be overdue and notwithstanding any notation of ownership or other writing hereon), for the purpose of receiving payments hereon, or on account hereof, and for all other purposes, and neither the Company nor the Trustee nor any agent of the Company or of the Trustee shall be affected by

any notice to the contrary. All such payments made to or upon the order of such Holder shall, to the extent of the amount or amounts paid, effectually satisfy and discharge liability for moneys payable on this Note.

Notwithstanding the preceding paragraphs of this Section 12, any registration of transfer or exchange of a Global Note shall be subject to the terms of the legend appearing on the initial page thereof.

13. *No Recourse Against Others.* No recourse under or upon any obligation, covenant or agreement of the Company arising under or set forth in the Notes or under the Indenture, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment or penalty or otherwise, any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director, as such, being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

14. *Appointment of Agents.* The Bank of New York Mellon Trust Company, N. A. is hereby appointed (i) the registrar (the “Registrar”) for the purpose of registering the Notes and of effecting transfers and exchanges of the Notes pursuant to the Indenture and this Note and (ii) the Paying Agent pursuant to Section 3.04 of the Indenture (the “Paying Agent”).

15. *Notices.* If the Company is required to give notice to the Holders of the Notes pursuant to the terms of the Indenture, then it shall do so by the means and in the manner set forth in Section 1.06 of the Indenture.

16. *Separability.* In case any provision of the Indenture or the Notes shall, for any reason, be held to be invalid, illegal or unenforceable, then the validity, legality and enforceability of the remaining provisions thereof and hereof shall not in any way be affected or impaired thereby.

17. *GOVERNING LAW.* THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

In all such examinations, we have assumed the authenticity and completeness of all documents submitted to us as originals and the conformity to authentic and complete originals of all documents submitted to us as photostatic, conformed, notarized or certified copies.

In rendering this opinion, we have assumed, without independent investigation or verification, that: (i) each natural person signing any document reviewed by us had the legal capacity to do so; (ii) each person signing in a representative capacity (other than on behalf of the Company) had the authority to sign in such capacity; (iii) the Agreement has been duly authorized and validly executed and delivered by the parties thereto other than the Company; (iv) at or prior to the time of delivery of the Global Notes, the authorization of the Notes and of each series of notes of which the Notes are a part, including the Series Terms Certificates, will not have been modified or rescinded and there will not have occurred any change in law affecting the validity or enforceability of the Notes; (v) the Global Notes executed and delivered by the Company as contemplated herein will be identical in form to the forms of the Global Notes examined by us as described herein; and (vi) (A) the Indenture is and, at the time of delivery of the Notes, will be the legal, valid and binding agreement of the Trustee, enforceable against the Trustee in accordance with its terms, (B) at the time of delivery of the Notes, the Indenture will continue to be the legal, valid and binding agreement of the Company, enforceable against the Company in accordance with its terms, and (C) the Indenture has been at all pertinent times qualified pursuant to the Trust Indenture Act of 1939, as amended.

As to certain facts material to our opinion, we have made no independent investigation or verification of such facts and have relied, to the extent that we deem such reliance proper, upon certificates of public officials, the Company and officers or other representatives of the Company and the representations of the Company in the Agreement.

Based on the foregoing and subject to the qualifications set forth below, we are of the opinion that, upon the execution of the Global Notes, the authentication of the Global Notes in accordance with the terms of the Indenture and the delivery of the Global Notes against payment therefor in accordance with the Agreement, the Notes will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, and will be entitled to the benefits of the Indenture.

The foregoing opinions are qualified to the extent that the enforceability of the Indenture, the Notes or any related document or instrument may be limited by or subject to the effects of bankruptcy, insolvency, moratorium, reorganization, liquidation, rearrangement, probate, conservatorship, fraudulent conveyance, fraudulent transfer or other similar laws (including court decisions) now or hereafter in effect relating to or affecting creditors' rights and remedies generally or providing for the relief of debtors, general principles of equity (regardless of whether such remedies are sought in a proceeding in equity or at law) or public policy.

We note that the enforceability of specific provisions of the Indenture and the Notes may be subject to (i) standards of reasonableness and "good faith" limitations and obligations such as those provided in the New York Uniform Commercial Code and similar applicable principles of common law and judicial decisions and (ii) the course of dealings between the parties, the usage of trade and similar provisions of common law and judicial decision.

We express no opinion as to the enforceability of the severability clauses in Section 1.11 of the Original Indenture, Section 5 of the First Supplemental Indenture, Section 5 of the Second Supplemental Indenture, Section 5 of the Third Supplemental Indenture or Section 16 of the 2020 Floating Rate Global Notes, the 2020 Fixed Rate Global Notes, the 2021 Fixed Rate Global Notes, the 2023 Global Notes, the 2025 Global Notes, the 2028 Global Notes, the 2038 Global Notes and the 2048 Global Notes, and Section 17 of the 2021 Floating Rate Global Notes or any provision of the Indenture or the Global Notes that purports to waive or not give effect to rights to notice, defenses, subrogation or other rights or benefits that cannot be effectively waived under applicable law, including Section 1.15 and Section 12.01 of the Original Indenture and Section 13 of the 2020 Floating Rate Global Notes, the 2020 Fixed Rate Global Notes, the 2021 Fixed Rate Global Notes, the 2023 Global Notes, the 2025 Global Notes, the 2028 Global Notes, the 2038 Global Notes and the 2048 Global Notes and Section 14 of the 2021 Floating Rate Global Notes. We express no opinion with respect to the enforceability of (i) the parenthetical clause in Section 8.07(i) of the Original Indenture relating to the limitations on the compensation of trustees or (ii) Section 12.01 of the Original Indenture and Section 13 of the 2020 Floating Rate Global Notes, the 2020 Fixed Rate Global Notes, the 2021 Fixed Rate Global Notes, the 2023 Global Notes, the 2025 Global Notes, the 2028 Global Notes, the 2038 Global Notes and the 2048 Global Notes and Section 14 of the 2021 Floating Rate Global Notes to the extent that either of those provisions purport to waive liability for violation of securities laws. We express no opinion as to any provision of the Indenture that purports to confer subject matter jurisdiction in respect of bringing suits, enforcement of judgments or otherwise on any federal court, to the extent such court does not otherwise have such jurisdiction.

The foregoing opinions are limited in all respects to matters under and governed by the federal laws of the United States of America, the laws of the State of New York and the General Corporation Law of the State of Delaware, as each is in force and effect as of the date of this opinion. We do not express any opinion as to the laws of any other jurisdiction.

We consent to the filing by you of this opinion as an exhibit to the Company's Current Report on Form 8-K filed with the Commission on the date hereof and the incorporation by reference of this opinion letter into the Registration Statement, and we further consent to the use of our name under the caption "Legal Matters" in the Prospectus Supplement. In giving this consent, we do not admit that we are included in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission promulgated thereunder. This opinion is expressed as of the date hereof, and we disclaim any undertaking to advise you of any subsequent changes in the facts stated or assumed herein or any subsequent changes in law.

Very truly yours,
